Multilayered Wood Flooring from the People’s Republic of China: Initiation and Preliminary Results of Antidumping and Countervailing Duty Changed Circumstances Reviews

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce

SUMMARY: The Department of Commerce (“the Department”) is simultaneously initiating, and issuing the preliminarily results of, changed circumstances reviews of the antidumping duty (“AD”) and countervailing duty (“CVD”) orders on multilayered wood flooring (“wood flooring”) from the People’s Republic of China (“PRC”). We preliminarily determine that Yihua Lifestyle Technology Co., Ltd. (“Yihua Tech”) is the successor-in-interest to Guangdong Yihua Timber Industry Co., Ltd. (“Yihua Timber”) for purposes of the AD and CVD orders on wood flooring from the PRC and, as such, is entitled to Yihua Timber’s AD and CVD cash deposit rates with respect to entries of subject merchandise. Interested parties are invited to comment on this preliminary determination.

DATES: Effective (Insert date of publication in the Federal Register).

SUPPLEMENTARY INFORMATION:

Background

On December 8, 2011, the Department published the AD and CVD orders of wood flooring from the PRC. On July 28, 2016, Yihua Tech requested that the Department initiate expedited changed circumstances reviews (“CCR”) and determine that it is the successor-in-interest to Yihua Timber for purposes of determining AD and CVD liabilities. On September 9, 2016, the Department requested from Yihua Tech additional information in order to determine whether to initiate the requested CCRs. On November 18, 2016, Yihua Tech submitted an amendment to its CCR Request, which included the additional information requested by the Department. Thus, the 45-day time period for the Department to determine whether to initiate the requested changed circumstances review began on this date. On December 23, 2016, the Department determined that additional time was necessary to consider Yihua Tech’s request for the changed circumstances reviews. Therefore, in accordance with 19 CFR 351.302(b), the Department extended the time period for determining whether to initiate the requested changed circumstances reviews.

\textbf{Initiation of Changed Circumstances Reviews}

Pursuant to section 751(b)(1) of the Tariff Act of 1930, as amended (“the Act”), and the Department’s regulations (19 CFR 351.216 and 351.221(c)(3)), the Department will conduct a changed circumstances review of an order upon receipt of information concerning, or a request from an interested party for a review of, an order which shows changed circumstances sufficient to warrant a review of the order. In the past, the Department has used CCRs to address the applicability of cash deposit rates after there have been changes in the name of a respondent, (“successor-in-interest” or “successorship” determinations). The information submitted by Yihua Tech claiming that it is Yihua Timber’s successor-in-interest relates to a name change. Specifically, Yihua Tech reported that effective May 17, 2016, the Guangdong Provincial Administration for Industry and Commerce approved Yihua Tech’s change of name from Guangdong Yihua Timber Industry Co., Ltd. to Yihua Lifestyle Technology Co., Ltd., and approved a minor modification to Yihua Timber’s business scope.\textsuperscript{8} Thus, consistent with Department practice, the information submitted by Yihua Tech demonstrates changed circumstances sufficient to warrant a review.\textsuperscript{9} Therefore, in accordance with section 751(b)(1) of the Act and 19 CFR 351.216(d), the Department is initiating changed circumstances reviews to determine whether Yihua Tech is the successor-in-interest to Yihua Timber.

\textsuperscript{7} For a complete description of the Scope of the Orders, please see memorandum from Gary Taverman, Associate Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations to Ronald K. Lorentzen, Acting Assistant Secretary for Enforcement and Compliance “Multilayered Wood Flooring from the People’s Republic of China: Preliminary Decision Memorandum of Antidumping and Countervailing Duty Changed Circumstances Reviews,” dated concurrently with this notice (“Preliminary Decision Memorandum”).

Preliminary Results

When it concludes that expedited action is warranted, the Department may publish the notice of initiation and preliminary results of a CCR concurrently. The Department has combined the notice of initiation and preliminary results in successor-in-interest cases when sufficient documentation has been provided supporting the request to make a preliminary determination. In this instance, because we have on the record the information necessary to support the request for a preliminary determination, we find that expedited action is warranted, and we are combining the notice of initiation and the notice of preliminary results, in accordance with 19 CFR 351.221(c)(3)(ii).

AD Methodology

In a CCR, we generally consider a company to be the successor to another company for AD cash deposit purposes if the operations of the successor are not materially dissimilar from those of its predecessor. In making this determination, the Department examines a number of factors including, but not limited to, changes in: (1) management; (2) production facilities; (3) suppliers; and (4) customer base. While no one or several of these factors will necessarily provide a dispositive indication of succession, the Department will generally consider one company to be the successor to another company if its resulting operation is essentially the same.

as that of its predecessor.\(^{14}\) Thus, if the evidence demonstrates that, with respect to the production and sale of the subject merchandise, the new company operates as the same business entity as the prior company, the Department will assign the new company the cash deposit rate of its predecessor.\(^{15}\)

In its CCR Request (and its Amendment), Yihua Tech provided evidence demonstrating that its operations are not materially dissimilar from those of its predecessor.\(^{16}\) Specifically, Yihua Tech is managed and operated by the same management teams as those of Yihua Timber, with the exception of the change to the general manager, which occurred prior to the name change, and was unrelated to the name change.\(^{17}\) Further, Yihua has not added, or discontinued use of, wood flooring production facilities as a result of the change in name.\(^{18}\) Finally, there have been non-material changes to the company’s suppliers,\(^{19}\) and no changes to the company’s customer base.\(^{20}\) Based on the foregoing, which is explained in greater detail in the Preliminary Decision Memorandum, we preliminarily determine that Yihua Tech is the successor-in-interest to Yihua Timber and, as such, that it is entitled to Yihua Timber’s AD cash deposit rate with respect to entries of subject merchandise.

**CVD Methodology**

As a general rule, in a CVD CCR, the Department will make an affirmative CVD successorship finding (*i.e.*, that the respondent company is the same subsidized entity for CVD cash deposit purposes as the predecessor company) where there is no evidence of significant changes in: (1) the respondent's operations; (2) ownership; and (3) corporate or legal structure.

during the relevant period (i.e., the “look-back window”) that could have affected the nature and extent of the respondent's subsidy levels.  

Where the Department makes an affirmative CVD successorship finding, the successor’s merchandise will be entitled to enter under the predecessor's cash deposit rate.  

As explained in greater detail in the Preliminary Decision Memorandum, we find no evidence of significant changes between Yihua Tech’s and Yihua Timber’s operations, ownership, or its corporate or legal structure that could have had an impact on Yihua Tech’s subsidies levels. Accordingly, we preliminarily determine that Yihua Tech is the successor-in-interest to Yihua Timber and, as such, that it is entitled to Yihua Timber’s CVD cash deposit rate with respect to entries of subject merchandise.

Should our final results remain the same as these preliminary results, we will instruct U.S. Customs and Border Protection to assign entries of subject merchandise exported by Yihua Tech the AD and CVD cash-deposit rates applicable to Yihua Timber, effective the date of publication of the final results.
