RIN 0691-XC062

BE-125: Quarterly Survey of Transactions in Selected Services and Intellectual Property with Foreign Persons

AGENCY: Bureau of Economic Analysis, Commerce.

ACTION: Notice of Reporting Requirements.

SUMMARY: By this Notice, the Bureau of Economic Analysis (BEA), Department of Commerce, is informing the public that it is conducting the mandatory survey titled Quarterly Survey of Transactions in Selected Services and Intellectual Property with Foreign Persons (BE-125). This survey is authorized by the International Investment and Trade in Services Survey Act.

SUPPLEMENTARY INFORMATION:

The purpose of this Notice is to notify all U.S. persons who meet the reporting requirements set forth in this Notice that they must respond to, and comply with, the BE-125. Reports are due 45 days after the end of each fiscal quarter except for the final quarter. After the end of fiscal year of the U.S. person, reports must be filed within 90 days. This Notice is being issued in conformance

with the rule BEA issued in 2012 (77 FR 24373) establishing guidelines for collecting data on international trade in services and direct investment through notices, rather than through rulemaking. Additional information about BEA's collection of data on international trade in services and direct investment can be found in the 2012 rule, the International Investment and Trade in Services Survey Act (22 U.S.C. 3101 et seq.), and 15 CFR part 801. Survey data on international trade in services and direct investment that are not collected pursuant to the 2012 rule are described separately in 15 CFR part 801. The BE-125 survey form and instructions are available on the BEA Web site at www.bea.gov/ssb.

Reporting

Notice of specific reporting requirements, including who is to report, the information to be reported, the manner of reporting, and the time and place of filing reports, will be mailed to those required to complete this survey.

Who Must Report: (a) Reports are required from each U.S. person who had sales of covered services or intellectual property to foreign persons that exceeded \$6 million during the prior fiscal year, or are expected to exceed that amount during the current fiscal year; or had purchases of covered services or intellectual property from foreign persons that exceeded \$4 million during the prior fiscal year, or are expected to exceed that amount during the current fiscal year. Because the thresholds are applied separately to sales and purchases, the reporting requirements may apply only to sales, only to purchases, or to both.

(b) Entities required to report will be contacted individually by BEA. Entities not contacted by BEA have no reporting responsibilities.

What To Report: The survey collects information on U.S. international trade in selected

services and intellectual property.

How To Report: Reports can be filed using BEA's electronic reporting system at www.bea.gov/efile. Copies of the survey forms and instructions, which contain complete information on reporting procedures and definitions, can be downloaded from the BEA Web site given above. Form BE-125 inquiries can be made by phone to BEA at (301) 278-9303 or by sending an email to be-125help@bea.gov.

When To Report: Reports are due to BEA 45 days after the end of each fiscal quarter, except for the final quarter of the reporter's fiscal year when reports must be filed within 90 days.
