IX. ADJOURNMENT

The FACA requires that notices of meetings of advisory committees be announced in the Federal Register 15 days prior to the meeting date. However, this notice of the NIAC meeting is being published in the Federal Register notice on April 27, 2017 10 days prior to the meeting due to the immediate need for the NIAC members to meet to discuss cyber threats to critical infrastructure.

Notwithstanding the difficulties that delayed publication, this NIAC meeting must occur. Although the meeting notice was published in the Federal Register late, the meeting date was announced during the public meeting on February 16, 2017 and the agenda will be published on the NIAC website listed in this Federal Register Notice.

Dated: April 17, 2017.

Ginger Norris,
Designated Federal Officer for the National Infrastructure
Advisory Council.
