II. Description of the Plan

Set forth in this Section II is the statement of the purpose and summary of the Fourteenth Amendment, along with the information required by Rule 608(a)(4) and (5) under the Exchange Act,⁷ substantially prepared and submitted by the Participants to the Commission.⁸

A. Statement of Purpose and Summary of the Plan Amendment

The Participants filed the Plan on April 5, 2011, to create a market-wide limit up-limit down mechanism intended to address extraordinary market volatility in NMS Stocks, as defined in Rule 600(b)(47) of Regulation NMS under the Exchange Act. The Plan sets forth procedures that provide for market-wide limit up-limit down requirements that would prevent trades in individual NMS Stocks from occurring outside of the specified price bands. These limit up-limit down requirements are coupled with Trading Pauses⁹, as defined in Section I(Y) of the Plan, to accommodate more fundamental price moves. In particular, the Participants adopted this Plan to address the type of sudden price movements that the market experienced on the afternoon of May 6, 2010.

As set forth in more detail in the Plan, all trading centers in NMS Stocks, including both those operated by Participants and those operated by members of Participants, shall establish, maintain, and enforce written policies and procedures that are reasonably designed to comply with the limit up-limit down requirements specified in the Plan. More specifically, the single plan processor responsible for consolidation of information for an NMS Stock pursuant to Rule 603(b) of Regulation NMS under the Exchange Act will be responsible for calculating and disseminating a

⁸ See Transmittal Letter, supra note 4.

⁹ Unless otherwise specified, the terms used herein have the same meaning as set forth in the Plan.

lower price band and upper price band, as provided for in Section V of the Plan. Section VI of the Plan sets forth the limit up-limit down requirements of the Plan, and in particular, that all trading centers in NMS Stocks, including both those operated by Participants and those operated by members of Participants, shall establish, maintain, and enforce written policies and procedures that are reasonably designed to prevent trades at prices that are below the lower price band or above the upper price band for an NMS Stock, consistent with the Plan.

The changes approved by the Commission in the Twelfth Amendment provide that a Trading Pause will continue until the Primary Listing Exchange has reopened trading using its established reopening procedures, and to require that trading centers not resume trading in an NMS Stock following a Trading Pause without Price Bands for such NMS Stock. In the Statement of Purpose filed with the Twelfth Amendment, the Participants stated that the changes described in the Twelfth Amendment would be implemented no later than six months after approval of that amendment. Based on the date of the approval order of the Twelfth Amendment, the Twelfth Amendment must be implemented no later than July 19, 2017. Because the SIP technology changes necessary to implement the Twelfth Amendment will not be ready by July 19, 2017, the Participants are filing this proposal to change the implementation date for the changes to the Plan set forth in the Twelfth Amendment to September 30, 2017.

In addition, the Primary Listing Exchanges will not be ready to implement the changes to their automated reopening processes following a Trading Pause, which were made pursuant to exchange rule filings in conjunction with the Twelfth Amendment, by July 19, 2017. To provide for a standardized approach that would allow for extensions of a Trading Pause by the Primary Listing Exchange if equilibrium cannot be met to establish a Reopening Price within specified parameters (“automated reopening changes”), the Primary Listing Exchanges amended their rules

for automated reopenings.¹⁰ The Primary Listing Exchanges anticipate implementing the automated reopening changes in the third quarter of 2017, assuming that the Processors have implemented their changes and each Primary Listing Exchange is able to implement their proposed rule changes simultaneously.¹¹

Accordingly, both to provide time to support the technology changes for the Twelfth Amendment and to align the implementation date of the Twelfth Amendment with the implementation timeline for the automated reopening changes by the Primary Listing Exchanges, the Participants propose to change the implementation date for the changes in the Twelfth Amendment to no later than the end of the third quarter of 2017.¹² This proposed change does not require any changes to the text of the Plan.

The Participants believe that the proposed modification to the implementation schedule is technical and ministerial in nature because it simply extends the implementation period for the Twelfth Amendment and does not change any substantive elements of the Plan.¹³ The Participants believe that the proposal to extend the implementation schedule is consistent with the goal of the

¹⁰ See Securities Exchange Act Release Nos. 79846 (January 19, 2017), 82 FR 8548 (January 26, 2017) (SR-NYSEArca-2016-130) (Approval Order); 79884 (January 26, 2017), 82 FR 8968 (February 1, 2017) (SR-BatsBZX-2016-61) (Approval Order); 79876 (January 25, 2017), 82 FR 8888 (January 31, 2017) (SR-Nasdaq-2016-131) (Approval Order).

¹¹ In other words, the Participants expect that both the changes pursuant to the Twelfth Amendment and the Primary Listing Exchange automated reopening changes would become operative at the same time.

¹² The Participants anticipate that the Twelfth Amendment changes will be implemented in August 2017. However, to align the implementation schedule with the automated reopening changes, the Participants propose to specify the same implementation time frame as the Primary Listing Exchanges have proposed for the automated reopening changes. See supra note 10.

¹³ See, e.g., Securities Exchange Act Release Nos. 70273 (amending Section VIII.B of the Plan to establish a new implementation schedule for Phase II of the Plan) and 71247 (amending Section VIII.B of the Plan to establish a new implementation schedule for Phase II of the Plan), supra note 1.

Twelfth Amendment, which is to reduce the potential for sequential Trading Pauses in an NMS Stock by centralizing the reopening process through the Primary Listing Exchanges, because it would align the implementation schedule for the Twelfth Amendment with the implementation schedule for the automated reopening changes. The proposed amendment would therefore protect investors and the public interest and is appropriate to the maintenance of fair and orderly markets.

B. Governing or Constituent Documents

The governing documents of the Processor, as defined in Section I(P) of the Plan, will not be affected by the Plan, but once the Plan is implemented, the Processor's obligations will change, as set forth in detail in the Plan.

C. Implementation of Plan

The initial date of the Plan operations was April 8, 2013.

D. Development and Implementation Phases

The Plan was initially implemented as a one-year pilot program in two Phases, consistent with Section VIII of the Plan: Phase I of Plan implementation began on April 8, 2013 and was completed on May 3, 2013. Implementation of Phase II of the Plan began on August 5, 2013 and was completed on February 24, 2014. The tenth amendment to the Plan was implemented on July 18, 2016. Pursuant to the thirteenth amendment to the Plan, the pilot period of the Plan was extended until April 16, 2018.¹⁴ Currently, the Participants must implement the Twelfth Amendment no later than July 19, 2017. Pursuant to this proposed amendment, the Participants propose to extend the time frame to implement the Twelfth Amendment to no later than the end of the third quarter of 2017.

E. Analysis of Impact on Competition

¹⁴ See Securities Exchange Act Release No. 80455 (order approving the thirteenth amendment to the Plan), supra note 1.

The proposed Plan does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Exchange Act. The Participants do not believe that the proposed Plan introduces terms that are unreasonably discriminatory for the purposes of Section 11A(c)(1)(D) of the Exchange Act.

F. Written Understanding or Agreements relating to Interpretation of, or Participation in, Plan

The Participants have no written understandings or agreements relating to interpretation of the Plan. Section II(C) of the Plan sets forth how any entity registered as a national securities exchange or national securities association may become a Participant.

G. Approval of Amendment of the Plan

Each of the Plan's Participants has executed a written amended Plan.

H. Terms and Conditions of Access

Section II(C) of the Plan provides that any entity registered as a national securities exchange or national securities association under the Exchange Act may become a Participant by: (1) becoming a participant in the applicable Market Data Plans, as defined in Section I(F) of the Plan; (2) executing a copy of the Plan, as then in effect; (3) providing each then-current Participant with a copy of such executed Plan; and (4) effecting an amendment to the Plan as specified in Section III(B) of the Plan.

I. Method of Determination and Imposition, and Amount of, Fees and Charges

Not applicable.

J. Method and Frequency of Processor Evaluation

Not applicable.

K. Dispute Resolution

Section III(C) of the Plan provides that each Participant shall designate an individual to represent the Participant as a member of an Operating Committee. No later than the initial date of the Plan, the Operating Committee shall designate one member of the Operating Committee to act as the Chair of the Operating Committee. Any recommendation for an amendment to the Plan from the Operating Committee that receives an affirmative vote of at least two-thirds of the Participants, but is less than unanimous, shall be submitted to the Commission as a request for an amendment to the Plan initiated by the Commission under Rule 608.

On April 12, 2017, the Operating Committee, duly constituted and chaired by Mr. Robert Books of Bats, met and voted unanimously to amend the Plan as set forth herein in accordance with Section III(C) of the Plan. The Plan Advisory Committee was notified in connection with the Fourteenth Amendment and was in favor.
