Under the authority of the Chief Financial Officers Act of 1990 (31 U.S.C. 503), the Office of Management and Budget amends 2 CFR part 200 as follows:

**PART 200--UNIFORM ADMINISTRATIVE REQUIREMENTS, COST PRINCIPLES,
AND AUDIT REQUIREMENTS FOR FEDERAL AWARDS**

1. The authority citation for part 200 continues to read as follows:

Authority: 31 U.S.C. 503.

2. In § 200.110, revise paragraph (a) to read as follows:

§ 200.110 Effective/applicability date.

(a) The standards set forth in this part that affect the administration of Federal awards issued by Federal awarding agencies become effective once implemented by Federal awarding agencies or when any future amendment to this part becomes final. Federal awarding agencies must implement the policies and procedures applicable to Federal awards by promulgating a regulation to be effective by December 26, 2014, unless different provisions are required by statute or approved by OMB. For the procurement standards in §§ 200.317 through 200.326, non-Federal entities may continue to comply with the procurement standards in previous OMB guidance (as reflected in § 200.104) for a total of three fiscal years after this part goes into effect. As such, the effective date for implementation of the procurement standards for non-Federal entities will start for fiscal years beginning on or after December 26, 2017. If a non-Federal entity chooses to use the previous procurement standards for all or part of these three fiscal years before adopting the procurement standards in this part, the non-Federal entity must document this decision in its internal procurement policies.
