Title: Community Services Block Grant (CSBG) Model State Plan (Revision)

OMB No.: 0970-0382

Description: Section 676 of the Community Services Block Grant (CSBG) Act requires States, including the District of Columbia and the Commonwealth of Puerto Rico, and U.S. territories applying for CSBG funds to submit an application and plan (Model State Plan). The CSBG State Plan submitted by States must meet statutory requirements prior to being funded with CSBG funds. Applicants have the option to submit a detailed plan annually or biannually. Entities that submit a biannual plan must provide an abbreviated plan the following year if substantial changes to the initial plan will occur.

In 2015, the Model State Plan was substantially revised by automating the form, streamlining the information, and incorporating accountability measures that include customer satisfaction information from eligible entities that receive a proportional share of CSBG funding through State CSBG lead agencies along with technical assistance, monitoring, and other programmatic support.

In fall 2015, the Office of Community Services (OCS) used the American Customer Satisfaction Index (ACSI) to obtain feedback from CSBG eligible entities about services provided by the state CSBG Lead Agencies, as detailed in the new State Accountability Measures. OCS also obtained feedback from state CSBG Lead Agencies on services provided by the federal agency,

as outlined in the new Federal Accountability Measures. Both OCS and state CSBG Directors received their state survey results in February 2016.

To support ongoing implementation of state accountability measures related to customer satisfaction from eligible entities, OCS plans to survey eligible entities using the ACSI survey instrument. No changes are planned from the content of the 2015 survey.

Respondents: CSBG eligible entities.
