SUPPLEMENTARY INFORMATION:

I. Obtaining Information and Submitting Comments

A. Obtaining Information

Please refer to Docket ID NRC-2016-0264 when contacting the NRC about the availability of information for this action. You may obtain publicly-available information related to this action by any of the following methods:

- **Federal Rulemaking Web Site:** Go to [http://www.regulations.gov](http://www.regulations.gov) and search for Docket ID NRC-2016-0264.

- **NRC’s Agencywide Documents Access and Management System (ADAMS):** You may obtain publicly-available documents online in the ADAMS Public Documents collection at [http://www.nrc.gov/reading-rm/adams.html](http://www.nrc.gov/reading-rm/adams.html). To begin the search, select “ADAMS Public Documents” and then select “Begin Web-based ADAMS Search.” For problems with ADAMS, please contact the NRC’s Public Document Room (PDR) reference staff at 1-800-397-4209, 301-415-4737, or by e-mail to pdr.resource@nrc.gov. The draft supporting statement is
available in ADAMS under Accession No. ML17031A048.

- **NRC’s PDR:** You may examine and purchase copies of public documents at the NRC’s PDR, Room O1-F21, One White Flint North, 11555 Rockville Pike, Rockville, Maryland 20852.

- **NRC’s Clearance Officer:** A copy of the collection of information and related instructions may be obtained without charge by contacting NRC’s Clearance Officer, David Cullison, Office of the Chief Information Officer, U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001; telephone: 301-415-2084; e-mail: Infocollects.Resource@nrc.gov.

B. Submitting Comments

Please include Docket ID **NRC-2016-0264** in the subject line of your comment submission, in order to ensure that the NRC is able to make your comment submission available to the public in this docket.

The NRC cautions you not to include identifying or contact information that you do not want to be publicly disclosed in your comment submission. The NRC posts all comment submissions at http://www.regulations.gov as well as entering the comment submissions into ADAMS. The NRC does not routinely edit comment submissions to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the NRC, then you should inform those persons not to include identifying or contact information that they do not want to be publicly disclosed in their comment submission. Your request should state that the NRC does not routinely edit comment submissions to remove such information before making the comment submissions available to the public or entering the comment submissions into ADAMS.
II. Background

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the NRC is requesting public comment on its intention to request the OMB’s approval for the information collection summarized below.

2. *OMB approval number:* 3150-0199.

3. *Type of submission:* Extension.

4. *The form number, if applicable:* Not applicable.

5. *How often the collection is required or requested:* One time.

6. *Who will be required or asked to respond:* The State of Nevada, local governments, or affected Indian tribes, or their representatives, requesting consultation with the NRC staff regarding review of the potential high-level waste geologic repository site, or wishing to participate in a license application review for the potential geologic repository.

8. *The estimated number of annual respondents:* 6.

9. *The estimated number of hours needed annually to comply with the information collection requirement or request:* 726.

10. *Abstract:* Part 63 of title 10 of the Code of Federal Regulations (10 CFR), requires the State of Nevada, local governments, or affected Indian tribes to submit information to the NRC that describes their request for any consultation with the NRC staff concerning the review of the potential repository site, or NRC’s facilitation for their participation in a license
application review for the potential repository. Representatives of the State of Nevada, local
governments, or affected Indian tribes must submit a statement of their authority to act in such a
representative capacity. The information submitted by the State, local governments, and
affected Indian tribes is used by the Director of the Office of Nuclear Material Safety and
Safeguards as a basis for decisions about the commitment of the NRC staff resources to the
consultation and participation efforts.

III. Specific Requests for Comments

The NRC is seeking comments that address the following questions:

1. Is the proposed collection of information necessary for the NRC to properly perform
   its functions? Does the information have practical utility?

2. Is the estimate of the burden of the information collection accurate?

3. Is there a way to enhance the quality, utility, and clarity of the information to be
   collected?

4. How can the burden of the information collection on respondents be minimized,
   including the use of automated collection techniques or other forms of information technology?

Dated at Rockville, Maryland, this 24th day of May, 2017.

For the Nuclear Regulatory Commission.

David Cullison,
NRC Clearance Officer,
Office of the Chief Information Officer.
