Proposed Information Collection Activity; Comment Request

Proposed Projects: Runaway and Homeless Youth – Homeless Management Information System (RHY-HMIS)

**Description:** The Runaway and Homeless Youth (RHY) Act, as amended by Public Law 106–71 (42 U.S.C. 5701 et seq.), mandates that the Department of Health and Human Services (HHS) report regularly to Congress on the status of HHS-funded programs serving runaway and homeless youth. Such reporting is similarly mandated by the Government Performance and Results Act Modernization Act of 2010.

Organizations funded under the Runaway and Homeless Youth program are required by statute (42 U.S.C. 5712, 42 U.S.C. 5714–2) to meet certain data collection and reporting requirements. These requirements include maintenance of client statistical records on the number and the characteristics of the runaway and homeless youth, and youth at risk of family separation, who participate in the project, and the services provided to such youth by the project.

**Respondents:** The respondents are the youth who are recipients of services from RHY program grants, which are made up of States, localities, private entities and coordinated networks of such entities. Typical respondents are the youth that participate in the Basic Center, Transitional Living/Maternity Group Home, and Street Outreach programs.
