DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 117

[Docket No. USCG-2017-0356]

Drawbridge Operation Regulation; Sloop Channel, Hempstead, NY

AGENCY: Coast Guard, DHS.

ACTION: Notice of deviation from drawbridge regulation.

---

**SUMMARY:** The Coast Guard has issued a temporary deviation from the operating schedule that governs the Wantagh State Parkway Bridge across Sloop Channel, mile 15.4, at Hempstead, New York. This deviation is necessary in order to facilitate an annual fireworks display and allows the bridge to remain in the closed position.

**DATES:** This deviation is effective from 9 p.m. to 11:59 p.m. on July 4, 2017.

**ADDRESSES:** The docket for this deviation, USCG-2017-0356, is available at <http://www.regulations.gov>. Type the docket number in the “SEARCH” box and click “SEARCH”. Click on Open Docket Folder on the line associated with this deviation.

**FOR FURTHER INFORMATION CONTACT:** If you have questions on this temporary deviation, call or e-mail James M. Moore, Bridge Management Specialist, First District Bridge Branch, U.S. Coast Guard; telephone 212-514-4334, e-mail [james.m.moore2@uscg.mil](mailto:james.m.moore2@uscg.mil).

**SUPPLEMENTARY INFORMATION:** The New York State Office of Parks, Recreation, and Historic Preservation with concurrence of the bridge owner, the New York State

Department of Transportation, requested a temporary deviation from the normal operating schedule to facilitate a public fireworks event.

The Wantagh Parkway Bridge, mile 15.4, across Sloop Channel, has a vertical clearance of 20 feet at mean high water and 21.8 feet at mean low water in the closed position. The existing drawbridge operating regulation is listed at 33 CFR 117.5.

The temporary deviation will allow the Wantagh Parkway Bridge to remain closed from 9 p.m. through 11:59 p.m. on July 4, 2017. The waterway is used primarily by seasonal recreational vessels and occasional tug/barge traffic. Coordination with waterway users has indicated no objections to the proposed short-term closure of the draw.

Vessels that can pass under the bridge without an opening may do so at all times. The bridge will be able to open for emergencies. There is no alternate route for vessels to pass.

The Coast Guard will also inform the users of the waterways through our Local and Broadcast Notices to Mariners of the change in operating schedule for the bridge so that vessel operators can arrange their transits to minimize any impact caused by the temporary deviation.

In accordance with 33 CFR 117.35(e), the drawbridge must return to its regular operating schedule immediately at the end of the effective period of this temporary deviation. This deviation from the operating regulations is authorized under 33 CFR 117.35.

Dated: June 27, 2017

C. J. Bisignano
