SUPPLEMENTARY INFORMATION: This ICR seeks to extend PRA authority for the Anhydrous Ammonia Storage and Handling Standard information collection requirements codified in regulations 29 CFR 1910.111. Markings the Standard requires help to ensure that an Occupational Safety and Health Act (OSH ACT) covered employer subject to the Standard uses only properly designed and tested containers and systems to store anhydrous ammonia, thereby, preventing accidental release of, and exposure of workers to this highly toxic and corrosive substance. OSH Act sections 2 and 8 authorize this information collection. *See* 29 U.S.C. 651, 657.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to

respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1218-0208.

OMB authorization for an ICR cannot be for more than three (3) years without renewal, and the current approval for this collection is scheduled to expire on July 31, 2017. The DOL seeks to extend PRA authorization for this information collection for three (3) more years, without any change to existing requirements. The DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. For additional substantive information about this ICR, see the related notice published in the Federal Register on April 25, 2017 (82 FR 19087).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the ADDRESSES section within 30 days of publication of this notice in the Federal Register.
