**SUPPLEMENTARY INFORMATION:**

**Purpose:** The Secretary, the Assistant Secretary for Health, and by delegation the Director, Centers for Disease Control and Prevention, are authorized under Sections 301 and 308 of the Public Health Service Act to conduct directly or by grants or contracts, research, experiments, and demonstrations relating to occupational safety and health and to mine health. The Board of Scientific Counselors provides guidance to the Director, National Institute for Occupational Safety and Health on research and prevention programs. Specifically, the Board provides guidance on the Institute's research activities related to developing and evaluating hypotheses, systematically documenting findings and disseminating results. The Board evaluates the degree to which the activities of the National Institute for Occupational Safety and Health: (1) conform to appropriate scientific standards, (2) address current, relevant needs, and (3) produce intended results.

**Matters for Discussion:** The agenda for the meeting addresses occupational safety and health issues related to: stockpiled surgical gowns & respirators; the increased use and complexity of robots; NIOSH's disaster science responder research; and fentanyl exposures to emergency responders.

Agenda items are subject to change as priorities dictate.

An agenda is also posted on the NIOSH website (<http://www.cdc.gov/niosh/bsc/>). Members of the public who wish to address the NIOSH BSC are requested to contact the Executive Secretary for scheduling purposes (see contact information below). Alternatively, written comments to the BSC may be submitted via an on-line form at the following website:
