Abstract: OMB Information Collection 1820-0682 was created to reflect the requirements in Part C of the IDEA in 20 U.S.C.1431-1443 and the final Part C regulations. These regulations require the 56 State lead agencies (LAs) that receive Part C funds to collect and maintain information or data and, in some cases, report information or data to other public agencies or to the public. These record-keeping requirements are not new and do not require reporting to the Secretary. This Information Collection was created to ensure that all Part C information responsibilities are documented and have been submitted for OMB review. The following table describes the information under Part C to be collected or maintained and identifies the legal requirement for each collection. These required listed collections are consolidated into 1820-0682.
