SUPPLEMENTARY INFORMATION:

Background: The WIAC is an important component of the Workforce Innovation and Opportunity Act. The WIAC is a Federal Advisory Committee of workforce and labor market information experts representing a broad range of national, State, and local data and information users and producers. The purpose of the WIAC is to provide recommendations to the Secretary of Labor, working jointly through the Assistant Secretary for Employment and Training and the Commissioner of Labor Statistics, to address:

- (1) The evaluation and improvement of the nationwide workforce and labor market information (WLMI) system and statewide systems that comprise the nationwide system; and
- (2) how the Department and the States will cooperate in the management of those systems.

These systems include programs to produce employment-related statistics and State and local workforce and labor market information.

The Department of Labor anticipates the WIAC will accomplish its objectives by: (1) Studying workforce and labor market information issues; (2) seeking and sharing information on innovative approaches, new technologies, and data to inform employment, skills training, and workforce and economic development decision making and policy; and (3) advising the Secretary on how the workforce and labor market information system can best support workforce development, planning, and program development. Additional information is available at www.doleta.gov/wioa/wiac/.

Purpose: The WIAC is currently in the process of identifying and reviewing issues and aspects of the WLMI system and statewide systems that comprise the nationwide system and how the Department and the States will cooperate in the management of those systems. As part of this process, the Advisory Council meets to gather information and to engage in deliberative and planning activities to facilitate the development and provision of its recommendations to the Secretary in a timely manner.

Agenda: Beginning at 8:30 AM on November 1, 2017, the Advisory Council will briefly review the minutes of the previous meeting held on June 21 and 22, 2017. The Advisory Council will host discussions with LMI experts and representatives from the

Employment and Training Administration and the Bureau of Labor Statistics. WIAC will review recommendations for the two-year plan proposed by each sub-committee and facilitate further discussion. The meeting will end for the day 4:30 PM.

The meeting will resume at 8:30 AM on November 2, 2017. The second day will continue the previous day's discussions. The WIAC chair will open the floor for public comment at 1:00 p.m. on November 2, 2017. However, the precise schedule of events is subject to change and an up-to-date agenda will be available on WIAC's web page (see URL below) prior to the meeting. The second day will conclude with a discussion of next steps, including action items and planning for the next meeting of the Advisory Council. The meeting will adjourn at 4:30 p.m.

The full agenda for the meeting, and changes or updates to the agenda, will be posted on the WIAC's Web page, www.doleta.gov/wioa/wiac/.
