**Final Determination of No Shipments**

As noted in the *Preliminary Results*, we preliminarily determined that Fujian Roungshu, Roung Shu, and Xiamen Yi He had no shipments of subject merchandise during the POR. Also in the *Preliminary Results*, the Department stated that, consistent with its practice, it would complete the review with respect to these companies and issue appropriate instructions to U.S. Customs and Border Protection (CBP) based on the final results.¹

After issuing the *Preliminary Results*, the Department received no comments from interested parties, and has not received any information that would cause it to alter its preliminary determination. Therefore, because the record indicates that these companies did not export subject merchandise to the United States, the Department continues to find that Fujian Roungshu, Roung Shu, and Xiamen Yi He had no shipments of subject merchandise during the POR. As the Department received no comments for consideration in these final results, the Department has not prepared an Issues and Decision Memorandum for this review.

Assessment Rates

Pursuant to section 751(a)(2)(C) of the Act, and 19 CFR 351.212(b)(1), the Department has determined, and CBP shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with the final results of this review. The Department intends to issue appropriate assessment instructions directly to CBP 15 days after publication of the final results of this administrative review. Additionally, because the Department determined that Fujian Roungshu, Roung Shu, and Xiamen Yi He had no shipments of subject merchandise during the POR, any suspended entries that entered under Fujian Roungshu, Roung Shu, or Xiamen Yi He’s case number (i.e., at that exporter’s rate) will be liquidated at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.5

Notification to Importers

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification Regarding Administrative Protective Order

This notice serves as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of return/destruction of APO materials or conversion to judicial protective order is hereby

requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This notice is published in accordance with section 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.213(h) and 351.221(b)(5).
