

POSTAL SERVICE

39 CFR Part 20

International Mailing Services: Proposed Product and Price Changes - CPI

AGENCY: Postal Service™.

ACTION: Proposed Rule with a request for comments.

SUMMARY: The Postal Service proposes to revise *Mailing Standards of the United States Postal Service*, International Mail Manual (IMM®), to reflect changes in the prices, product features, and classification changes to Mailing Services. These changes would also implement a restriction on the contents of First-Class Mail International® to documents only, to comply with standards established by the Universal Postal Union (UPU).

DATES: We must receive your comments on or before [INSERT DATE 30 DAYS FROM DATE OF PUBLICATION IN THE FEDERAL REGISTER].

ADDRESSES: Mail or deliver comments to the manager, Product Classification, U.S. Postal Service®, 475 L'Enfant Plaza SW, RM 4446, Washington, DC 20260-5015. SUPPLEMENTARY INFORMATION:

Compliance with UPU Standards

On May 31, 2017 (82 FR 24913), the Postal Service filed an advance notice of rulemaking with a request for comments, providing notification of our intention to limit the contents of First-Class Mail International to documents only, in accordance with recent Universal Postal Union (UPU) deliberations. We received one set of comments, requesting that the Postal Service clearly define the difference between documents and merchandise and also requesting that we continue to permit “goods of nominal value” in First-Class Mail International. As we move forward with this initiative, with the anticipated effective date of January 21, 2018, to fulfill our commitments under the Universal Postal Union (UPU) Acts, we are clearly defining the difference between documents and merchandise in our revisions to the International Mail Manual; however, we are unable to continue to permit “goods of nominal value” sent by known mailers in First-Class Mail International items because, to be consistent with the UPU requirements, we must eliminate goods of any kind from First-Class Mail International letters and flats. Commercial mailers may continue to mail “goods of nominal value” in First-Class Package International[®] Service packages (small packets), International

Priority Airmail[®] (IPA[®]) service packages (small packets) and International Surface Airlift[®] (ISAL[®]) service packages (small packets).

International Price and Service Adjustments

On October 6, 2017, the Postal Service filed a notice of mailing services price adjustments with the Postal Regulatory Commission (PRC), effective on January 21, 2018. The Postal Service proposes to revise Notice 123, *Price List*, available on Postal Explorer[®] at <http://pe.usps.com>, to reflect these new price changes. Proposed prices are or will be available under Docket Number R2018-1 on the Postal Regulatory Commission's website at www.prc.gov.

This proposed rule describes the price and classification changes and the corresponding mailing standards changes for the following market dominant international services:

- First-Class Mail International service
- International extra services and fees.

First-Class Mail International

We propose no increase in prices for single-piece First-Class Mail International letters, postcards, and flats. The price for a single-piece 1-ounce letter remains \$1.15. The First-Class Mail International letter nonmachinable surcharge remains \$0.21.

In this filing we are proposing a change, conforming to the requirements of the Universal Postal Convention, limiting the contents of First-Class Mail International postcard, letter, and large envelope (flat) mail to personal correspondence and non-dutiable documents. Merchandise that was formerly

carried in First-Class Mail International service will instead be eligible to be contained in First-Class Package International Service pieces or another available service. Because International Priority Airmail (IPA) service, including IPA M-bags, and International Surface Airlift (ISAL) service, including ISAL M-bags, are commercial services designed for volume mailings of all First-Class Mail International postcards, letters, and large envelopes (flats) and First-Class Package International Service packages (small packets), the limiting of the contents of First-Class Mail International postcard, letter, and large envelope (flat) mail discussed above will also apply to International Priority Airmail (IPA) postcard, letter, and large envelope (flat) mail and International Surface Air Lift (ISAL) postcard, letter, and large envelope (flat) mail. (See notice concerning International Competitive Services Product and Prices Changes, Final Rule, concerning new prices posted under Docket CP2018-8 on the Postal Regulatory Commission's website, published contemporaneously with this filing.)

International Extra Services and Fees

The Postal Service proposes to increase prices for certain market dominant international extra services including:

- Certificate of Mailing
- Registered Mail™
- Return Receipt
- Customs Clearance and Delivery Fee
- International Business Reply™ Mail Service
