One model of changing station is not covered by the scope of the antidumping duty order on wooden bedroom furniture from the People's Republic of China because it shares physical characteristics similar to those of excluded bookcases or entertainment systems, and has a flat top with a permanent guard rail. Five models of changing stations are covered by the scope of the antidumping duty order on wooden bedroom furniture from the People's Republic of China. Five mirrors are not covered by the scope of the antidumping duty order on wooden bedroom furniture from the People's Republic of China because they are not part of Chinese-made mirror-dresser sets and are not marketed in conjunction with dressers made in the PRC; August 17, 2016.
