SUPPLEMENTARY INFORMATION: This ICR seeks approval under the PRA for revisions to the Rehabilitation Plan and Award (Form OWCP-16) information collection. Vocational rehabilitation counselors use Form OWCP-16 to submit an agreed upon rehabilitation plan for OWCP approval. The form also documents any OWCP payment award for approved services. This information collection has been classified as a revision, because the agency has clarified several questions and disclosures. The agency also made formatting changes intended to make the form more user friendly. The Federal Employees' Compensation Act and Longshore and Harbor Workers' Compensation Act authorizes this information collection. *See* 5 U.S.C. 8103, 8193; 33 U.S.C. 907.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any

other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number.

See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1240-0045. The current approval is scheduled to expire on October 31, 2017; however, the DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. New requirements would only take effect upon OMB approval. For additional substantive information about this ICR, see the related notice published in the *Federal Register* on August 8, 2017 (82 FR 37121).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the ADDRESSES section within thirty (30) days of publication of this notice in the *Federal Register*. The OMB is particularly interested in comments that:
