Abstract: The Student Assistance General Provisions regulation was amended by adding Subpart R to 34 CFR Part 668. Subpart R – Program Cohort Default Rates mirrors Subpart N – Cohort Default Rates where applicable. Subpart R established a programmatic cohort default rate (pCDR) for gainful employment (GE) programs, whereas Subpart N established an institutional cohort default rate (iCDR).

On June 16, 2017, the Department of Education (the Department) published a notice in the Federal Register announcing the intention to establish a negotiated rulemaking committee to revise the gainful employment regulations published on October 31, 2014. The Department anticipates scheduling the negotiated rulemaking sessions beginning in November or December 2017.

The Department is requesting an extension without change of burden to the currently approved information collection as any new regulations will not be finalized before the expiration of this current package. There have been no changes to the regulations since the initial collection approval.
