Self-Regulatory Organizations; New York Stock Exchange LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change to Amend Rule 497(c) Regarding the Requirements for the Listing of Securities that are Issued by the Exchange or Any of Its Affiliates

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the “Act”)² and Rule 19b-4 thereunder,³ notice is hereby given that on November 17, 2017, New York Stock Exchange LLC (“NYSE” or the “Exchange”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Rule 497(c) regarding the requirements for the listing of securities that are issued by the Exchange or any of its affiliates. The proposed rule change is available on the Exchange’s website at www.nyse.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places

specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend Rule 497(c) (Additional Requirements for Listed Securities Issued by Intercontinental Exchange, Inc. or its Affiliates) regarding the requirements for the listing of securities that are issued by the Exchange or any of its affiliates.

Rule 497(c) sets forth certain monitoring requirements that must be met throughout the continued listing and trading of securities issued by the Exchange's ultimate parent, Intercontinental Exchange, Inc. ("ICE"), or its affiliates. More specifically, Rule 497(c)(1) and (2) provide that, throughout the continued listing and trading of an Affiliate Security⁴ on the Exchange:

- the Exchange will prepare a quarterly report on the Affiliate Security ("Quarterly Report") for the Exchange's Regulatory Oversight Committee ("ROC"), and a copy of the Quarterly Report will be forwarded promptly to the Securities and Exchange Commission ("Commission"); and
- once a year, an independent accounting firm shall review the listing standards for the Affiliate Security to insure that the issuer is in compliance with the listing

⁴ Pursuant to Rule 497(a), "Affiliate Security" means any security issued by an ICE Affiliate or any Exchange-listed option on any such security, with the exception of Investment Company Units as defined in Para. 703.16 of the Listed Company Manual, and "ICE Affiliate" means ICE and any entity that directly or indirectly, through one or more intermediaries, controls, is controlled by, or is under common control with ICE, where "control" means that one entity possesses, directly or indirectly, voting control of the other entity either through ownership of capital stock or other equity securities or through majority representation on the board of directors or other management body of such entity.

requirements (“Annual Report”), and a copy of the Annual Report shall be forwarded promptly to the ROC and the Commission.

The Exchange proposes to amend Rule 497(c) to remove the requirement that copies of the Quarterly and Annual Reports be forwarded to the Commission, by deleting the final sentence of Rule 497(c)(1) and the text “and the Commission” from the end of Rule 497(c)(2). In addition, because the proposed deletions would remove the definition of “Commission” currently in Rule 497(c)(1), the Exchange proposes to add the definition to Rule 497(c)(3).

No other changes would be made to Rule 497(c), which would continue to require that the Quarterly Report be prepared for the ROC and the Annual Report be forwarded promptly to the ROC.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Exchange Act⁵ in general, and Section 6(b)(5)⁶ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to, and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest.

market and a national market system and, in general, to protect investors and the public interest, because the proposed changes would reduce the paperwork received by the Commission and ease the burden of submitting the Quarterly and Annual Reports, without changing the information available to the Commission. In discussions with the Commission Staff regarding Rule 497, it was determined that the Exchange no longer needed to provide copies of the Quarterly and Annual Reports to the Commission. The Quarterly and Annual Reports would continue to be available to the Commission, as they are subject to Section 17A of the Act⁷ and Rule 17a-1 thereunder,⁸ pursuant to which the Exchange is required to keep and preserve copies of the Quarterly and Annual Reports, and to promptly furnish to the Commission copies of such Reports upon request of any representative of the Commission.

The Exchange believes that the proposed non-substantive change adding the definition of “Commission” to Rule 497(c)(3) would promote just and equitable principles of trade and remove impediments to a free and open market by providing greater clarity in the Exchange’s rules.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Exchange Act. The proposed rule change is not intended to address competitive issues but rather to reduce the paperwork received by the Commission and ease the burden of submitting the Quarterly and Annual Reports, without changing the information available to the Commission.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act⁹ and Rule 19b-4(f)(6) thereunder.¹⁰ Because the proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6)(iii) thereunder.¹¹

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)¹² of the Act to determine whether the proposed rule change should be approved or disapproved.

¹¹ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.
