Background

On March 6, 2017, the Department published in the *Federal Register* a notice of opportunity to request an administrative review of the antidumping duty order on glycine from the PRC for the period March 1, 2016, through February 28, 2017.¹ On March 31, 2017, the Department received a timely request, in accordance with section 751(a) of the Tariff Act of

¹ See *Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity to Request Administrative Review*, 82 FR 12551 (March 6, 2017).

1930, as amended (the Act), to conduct an administrative review of this antidumping duty order, with respect to three companies, from GEO Specialty Chemicals, Inc. (GEO), a domestic producer of glycine. Based on this request and in accordance with section 751(a) of the Act, the Department published a notice of initiation of the review in the *Federal Register* on May 9, 2017.² On July 28, 2017, GEO filed a timely withdrawal of its request for a review for each of the three companies.³

Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review, in whole or in part, if a party who requested the review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review. As noted above, GEO withdrew its request for review by the 90-day deadline. Accordingly, we are rescinding the administrative review of the antidumping duty order on glycine from the PRC covering the period March 1, 2016, through February 28, 2017.

Assessment

The Department will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries. Antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions to CBP 15 days after publication of this notice in the *Federal Register*.

Notification to Importers

This notice serves as a reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification Regarding Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with section 751 of the Act and 19 CFR 351.213(d)(4).

Dated: November 27, 2017.
