B. Submitting Comments.

The NRC cautions you not to include identifying or contact information in comment submissions that you do not want to be publicly disclosed in your comment submission. All comment submissions are posted at <http://www.regulations.gov> and entered into ADAMS. Comment submissions are not routinely edited to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the OMB, then you should inform those persons not to include identifying or contact information that they do not want to be publicly disclosed in their comment submission. Your request should state that comment submissions are not routinely edited to remove such information before making the comment submissions available to the public or entering the comment into ADAMS.

II. Background.

Under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the NRC recently submitted a request for renewal of an existing collection of information to OMB for review entitled, "Nuclear Regulatory Commission Acquisition Regulation (NRCAR)." The NRC hereby informs potential respondents that an agency may not conduct or sponsor, and that a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The NRC published a *Federal Register* notice with a 60-day comment period on this

information collection on September 13, 2017, 82 FR 43051.

1. *The title of the information collection:* 48 CFR 20 U.S. Nuclear Regulatory Commission Acquisition Regulation (NRCAR).
2. *OMB approval number:* 3150-0169.
3. *Type of submission:* Extension.
4. *The form number if applicable:* N/A.
5. *How often the collection is required or requested:* On occasion, one time.
6. *Who will be required or asked to respond:* Contractors and potential contractors.
7. *The estimated number of annual responses:* 5,613.
8. *The estimated number of annual respondents:* 4,985.
9. *An estimate of the total number of hours needed annually to comply with the information collection requirement or request:* 37,337 (34,393 reporting + 2,944 recordkeeping).
10. *Abstract:* The mandatory requirements of the NRCAR implement and supplement the government-wide Federal Acquisition Regulation (FAR), and ensure that the regulations governing the procurement of goods and services with the NRC satisfy the particular

needs of the agency. Because of differing statutory authorities among Federal agencies, the FAR permits agencies to issue a regulation to implement FAR policies and procedures internally to satisfy the specific need of the agency.

Dated at Rockville, Maryland, this 5th day of December 2017.
