SUPPLEMENTARY INFORMATION: This ICR seeks to extend PRA authority for the Hazardous Energy Control Standard information collection requirements codified in regulations 29 CFR 1910.147. OMB authorization for an ICR cannot be for more than three (3) years without renewal, and the DOL seeks to extend PRA authorization for this information collection for three (3) more years, without any change to existing requirements. The DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. For additional substantive information about this ICR, see the related notice published in the *Federal Register* on November 1, 2017 (82 FR 50689).
