Privacy Act Statement: The authority to request this information is contained in 5 U.S.C. 301, the Federal Advisory Committee Act (FACA), and 43 CFR part 1784. The appointment officer uses this information to determine education, training, and experience related to possible service on a BLM advisory council. When an individual is

appointed as an advisor, the information will be retained by the appointing official for the length of service. Otherwise, it will be destroyed 2 years after termination of an individual's membership or returned (if requested) following announcement of the Board's appointments. They should demonstrate experience or knowledge of the area of their expertise and a commitment to collaborate in seeking solutions to resource management issues. No person is to be denied an opportunity to serve because of race, age, sex, religion, or national origin. Individuals who are federally registered lobbyists are ineligible to serve on all FACA and non-FACA boards, committees, or councils in an individual capacity. The term "individual capacity" refers to individuals who are appointed to exercise their own individual best judgment on behalf of the government, such as when they are designated Special Government Employees, rather than being appointed to represent a particular interest.

Pursuant to Section 7 of the Wild Free-Roaming Horses and Burros Act, members of the Board cannot be employed by either Federal or State governments.
