Coast Guard

33 CFR Part 165

[Docket Number USCG-2018-0198]

RIN 1625-AA00

Safety Zones; Recurring Safety Zones in Captain of the Port Sault Sainte Marie Zone

AGENCY: Coast Guard, DHS.

ACTION: Final rule.

SUMMARY: The Coast Guard is updating its recurring safety zones regulations in the Captain of the Port Sault Sainte Marie Zone. This rule updates eighteen safety zone locations, dates, and sizes, adds three safety zones, removes two established safety zones, and reformats the regulations into an easier to read table format. These amendments will protect spectators, participants, and vessels from the hazards associated with annual marine events and firework shows, and improve the clarity and readability of the regulation.

DATES: This rule is effective [INSERT DATE 30 DAYS AFTER DATE OF PUBLICATION IN THE FEDERAL REGISTER].

ADDRESSES: To view documents mentioned in this preamble as being available in the docket, go to <http://www.regulations.gov>, type USCG-2018-0198 in the "SEARCH" box and click "SEARCH." Click on Open Docket Folder on the line associated with this rule.

II. Background Information and Regulatory History

On April 18, 2011 the Coast Guard published an NPRM in the Federal Register (76 FR 21677) entitled “Safety Zones; Annual Events Requiring Safety Zones in the Captain of the Port Sault Sainte Marie Zone.” The NPRM proposed to establish 20 permanent safety zones for annually recurring events in the Captain of the Port Sault Sainte Marie Zone under § 165.918. The NPRM was open for comment for 30 days.

On June 2, 2011 the Coast Guard published the Final Rule in the Federal Register (76 FR 31839), after receiving no comments on the NPRM. Since that time there have been changes to the events that were listed in the Final Rule and additional annual events have been established.

In response, on March 21, 2018, the Coast Guard published a notice of proposed rulemaking (NPRM) titled Safety Zones; Recurring Safety Zones in Captain of the Port Sault Sainte Marie Zone (83 FR 12307). There we stated why we issued the NPRM, and invited comments on our proposed regulatory action related to these marine events and

fireworks display. During the comment period that ended April 20, 2018, we received one comment.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 33 U.S.C. 1231; 50 U.S.C. 191; 33 CFR 1.05-1, 6.04-1, 6.04-6, and 160.5; Department of Homeland Security Delegation No. 0170.1.

The Captain of the Port Sault Sainte Marie (COTP) has determined that an amendment to the recurring safety zones list as published in 33 CFR 165.918 is necessary to: update the location, date, and size of eighteen existing safety zones (Marquette Fourth of July Celebration Fireworks, Munising Fourth of July Celebration Fireworks, Sault Sainte Marie Fourth of July Celebration Fireworks, Mackinac Island Fourth of July Celebration Fireworks, Harbor Springs Fourth of July Celebration Fireworks, Bay Harbor Yacht Club Fourth of July Celebration Fireworks, Petoskey Fourth of July Celebration Fireworks, Boyne City Fourth of July Celebration Fireworks, Alpena Fourth of July Celebration Fireworks, Charlevoix Venetian Festival Friday Night Fireworks, Charlevoix Venetian Festival Saturday Night Fireworks, Elk Rapids Harbor Days Fireworks, Jordan Valley Freedom Festival Fireworks, Canada Day Celebration Fireworks, Festival of Fireworks Celebration Fireworks, Grand Marais Splash In, National Cherry Festival Airshow, and National Cherry Festival Finale Fireworks), establish three safety zones (Mackinaw Area Visitors Bureau Friday Night Fireworks, Nautical City Fireworks, and Traverse City Fourth of July Celebration Fireworks), remove National Cherry Festival Fourth of July Celebration Fireworks and St. Ignace Fourth of July Celebration Fireworks safety zones, and format the existing regulations into a table format. The purpose of this

rule is to ensure safety of vessels and the navigable waters in the safety zone before, during, and after the scheduled events and to improve the overall clarity and readability of the rule.

IV. Discussion of Comments, Changes, and the Rule

As noted above, we received one comment on our NPRM published March 21, 2018. The comment stated that updating the safety zone regulation improves the overall safety of the fireworks displays and that it is imperative for the size, dates, and locations of the safety zones to be accurate in order to protect lives. There are no changes in the regulatory text of this rule from the proposed rule in the NPRM.

This rule updates the location, date, and size of eighteen existing safety zones (Marquette Fourth of July Celebration Fireworks, Munising Fourth of July Celebration Fireworks, Sault Sainte Marie Fourth of July Celebration Fireworks, Mackinac Island Fourth of July Celebration Fireworks, Harbor Springs Fourth of July Celebration Fireworks, Bay Harbor Yacht Club Fourth of July Celebration Fireworks, Petoskey Fourth of July Celebration Fireworks, Boyne City Fourth of July Celebration Fireworks, Alpena Fourth of July Celebration Fireworks, Charlevoix Venetian Festival Friday Night Fireworks, Charlevoix Venetian Festival Saturday Night Fireworks, Elk Rapids Harbor Days Fireworks, Jordan Valley Freedom Festival Fireworks, Canada Day Celebration Fireworks, Festival of Fireworks Celebration Fireworks, Grand Marais Splash In, National Cherry Festival Airshow, and National Cherry Festival Finale Fireworks), establish three safety zones (Mackinaw Area Visitors Bureau Friday Night Fireworks, Nautical City Fireworks, and Traverse City Fourth of July Celebration Fireworks), remove National Cherry Festival Fourth of July Celebration Fireworks and St. Ignace

Fourth of July Celebration Fireworks safety zones, and format the existing regulations into a table format. The purpose of this rule is to ensure safety of vessels and the navigable waters in the safety zone before, during, and after the scheduled events and to improve the overall clarity and readability of the rule. No vessel or person will be permitted to enter the safety zone without obtaining permission from the COTP or a designated representative.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. Executive Order 13771 directs agencies to control regulatory costs through a budgeting process. This rule has not been designated a “significant regulatory action,” under Executive Order 12866. Accordingly, this rule has not been reviewed by the Office of Management and Budget (OMB), and pursuant to OMB guidance it is exempt from the requirements of Executive Order 13771.

This regulatory action determination is based on the size, location, duration, and time-of-day for each safety zone. Vessel traffic will be able to safely transit around all safety zones which will impact small designated areas within the COTP zone for short durations of time. Moreover, the Coast Guard will issue Broadcast Notice to Mariners via VHF-FM marine channel 16 about the zone and the rule allows vessels to seek

permission to enter the zone.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard received no comments from the Small Business Administration on this rulemaking. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the safety zones may be small entities, for the reasons stated in section V.A above, this rule will not have a significant economic impact on any vessel owner or operator.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Public Law 104-121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the FOR FURTHER INFORMATION CONTACT section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on

actions by employees of the Coast Guard, call 1-888-REG-FAIR (1-888-734-3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes. If you believe this rule has implications for federalism or Indian tribes, please contact the person listed in the FOR FURTHER INFORMATION CONTACT section.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531-1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In

particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Directive 023-01 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969(42 U.S.C. 4321-4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves the update of eighteen safety zone locations, dates, and sizes, the addition of three safety zones, the removal of two safety zones, and the reformatting of regulations into an easier to read table format. It is categorically excluded from further review under paragraph L60(a) of Appendix A, Table 1 of DHS Instruction Manual 023–01–001–01, Rev. 01. A Record of Environmental Consideration supporting this determination is available in the docket where indicated under ADDRESSES.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

1. The authority citation for part 165 continues to read as follows:

Authority: 33 U.S.C. 1231; 50 U.S.C. 191; 33 CFR 1.05-1, 6.04-1, 6.04-6, and 160.5; Department of Homeland Security Delegation No. 0170.1.

2. Revise § 165.918 to read as follows:

§ 165.918 Safety Zones; Recurring Safety Zones in Captain of the Port Sault Sainte Marie.

(a) Regulations. The following regulations apply to the safety zones listed in Table 165.918 of this section:

(1) In accordance with the general regulations in § 165.23 of this part, entry into, transiting, or anchoring within any of the safety zones listed in this section is prohibited unless authorized by the Captain of the Port Sault Sainte Marie, or a designated representative.

(2) All persons and vessels must comply with the instructions of the Coast Guard Captain of the Port Sault Sainte Marie or a designated representative. Upon being hailed by the U.S. Coast Guard by siren, radio, flashing light or other means, the operator of a vessel shall proceed as directed.

(3) When a safety zone established by this section is being enforced, all vessels must obtain permission from the Captain of the Port Sault Sainte Marie or a

designated representative to enter, move within, or exit that safety zone. Vessels and persons granted permission to enter the safety zone shall obey all lawful orders or directions of the Captain of the Port Sault Sainte Marie or a designated representative. While within a safety zone, all vessels shall operate at the minimum speed necessary to maintain a safe course.

(b) Suspension of enforcement. If the event concludes earlier than scheduled, the Captain of the Port Sault Sainte Marie or a designated representative will issue a Broadcast Notice to Mariners notifying the public that enforcement of the respective safety zone is suspended.

(c) Exemption. Public vessels, defined as any vessel owned or operated by the United States or by State or local governments, operating in an official capacity are exempted from the requirements of this section.

(d) Waiver. For any vessel, the Captain of the Port Sault Sainte Marie or a designated representative may, at his or her discretion, waive any of the requirements of this section, upon finding that circumstances are such that application of this section is unnecessary or impractical for the purposes of safety or environmental safety.

(e) Contacting the Captain of the Port. While a safety zone listed in this section is enforced, the Captain of the Port Sault Sainte Marie or a designated representative may be contacted via VHF Channel 16 or telephone at (906) 635-3319. Vessel operators given permission to enter or operate in a safety zone must comply with all directions given to them by the Captain of the Port Sault Sainte Marie, or a designated representative.

(f) Notice of enforcement. The Coast Guard will provide advance notice of the enforcement including specific date, time, and size of the safety zone being enforced in Table 165.918, by issuing a Notice of Enforcement, as well as, a Broadcast Notice to Mariners.
