SUPPLEMENTARY INFORMATION: The Department of Education (ED), in accordance with the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3506(c)(2)(A)), provides the general public and Federal agencies with an opportunity to comment on proposed, revised, and continuing collections of information. This helps the Department assess the impact of its information collection requirements and minimize the public's reporting burden. It also helps the public understand the Department's information collection requirements and provide the requested data in the desired format. ED is soliciting comments on the proposed information collection request (ICR) that is described below. The Department of Education is especially interested in public comment addressing the following issues: (1) is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner;

(3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Please note that written comments received in response to this notice will be considered public records.

Abstract: The Office of Indian Education (OIE) of the Department of Education (ED) requests extension of the clearance for the Indian Education Demonstration Grant Application authorized under Title VI, Part A, of the Elementary and Secondary Education Act, as amended by the Every Student Succeeds Act. The Demonstration (CFDA 84.299A) program is a competitive discretionary grant program. The grantee applications submitted for this program are evaluated on the basis of how well an applicant addresses the selection criteria, and are used to determine applicant eligibility and amount of award for projects selected for funding.

The selection criteria used for the Demonstration Grant program include general selection criteria from 34 CFR 75.210 and selection criteria based on regulatory requirements in 34 CFR part 263, in accordance with 34 CFR 75.209(a).

Eligible applicants submit the information to describe the project for which funding is requested. The information provided by the applicant addresses the selection criteria for the program. The application is evaluated through a peer review process and an application's score is used to determine its ranking and selection for funding.

Dated: May 3, 2018.
