SUPPLEMENTARY INFORMATION:

Comments Invited

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The ICR documentation will be available at <http://www.reginfo.gov> upon its submission to OMB. Therefore, in preparation for OMB review and approval of the following information collection, TSA is soliciting comments to--

(1) Evaluate whether the proposed information requirement is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including using appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Consistent with the requirements of Executive Order (E.O.) 13771, Reducing Regulation and Controlling Regulatory Costs, and E.O. 13777, Enforcing the Regulatory Reform Agenda, TSA is also requesting comments on the extent to which this request for information could be modified to reduce the burden on respondents.

Information Collection Requirement

OMB Control Number 1652-0039; TSA Claims Application, previously named the TSA Claims Management Branch Program, allows the agency to collect information

from claimants in order to thoroughly examine and resolve tort claims against the agency. TSA is revising the collection by changing the name from “TSA Claims Management Branch Program” to “TSA Claims Application.” TSA receives approximately 850 tort claims per month arising from airport screening activities and other circumstances, including motor vehicle accidents and employee loss. The Federal Tort Claims Act (28 U.S.C. 1346(b), 1402(b), 2401(b), 2671-2680) is the authority under which the TSA Claims, Outreach and Debt Branch adjudicates tort claims.

The data is collected whenever an individual believes s/he has experienced property loss or damage, a personal injury, or other damages due to the negligence or wrongful act or omission of a TSA employee, and decides to file a Federal tort claim against TSA. Submission of a claim is entirely voluntary and initiated by individuals. The claimants (or respondents) to this collection are typically the traveling public. Currently, claimants file a claim by submitting to TSA a Standard Form 95 (SF-95), which has been approved under OMB control number 1105-0008. Because TSA requires further clarifying information, claimants are asked to complete a Supplemental Information page added to the SF-95. If TSA determines payment is warranted, TSA will send the claimant a form requesting banking information (routing and accounting numbers) in order to direct payment to the claimant. This form has been approved under OMB control number 1652-0039.

Claim instructions and forms are available through the TSA website at <http://www.tsa.gov>. Claimants must download these forms and mail or fax them to TSA. On the Supplemental Information page, claimants are asked to provide additional claim information including: (1) e-mail address, (2) airport, (3) location of incident within the

airport, (4) complete travel itinerary, (5) whether baggage was delayed by the airline, (6) why they believe TSA was negligent, (7) whether they used a third-party baggage service, (8) whether they were traveling under military orders, and (9) whether they submitted claims with the airline or insurance companies.

If TSA determines payment is warranted, TSA sends the claimant a form requesting: (1) claimant signature, (2) banking information, and (3) Social Security number (required by the U.S. Treasury for all Government payments to the public pursuant to 31 U.S.C. 3325).

Under the current system of claims submitted by mail or fax, TSA estimates there will be approximately 10,200 respondents on an annual basis, for a total annual hour burden of 5,300 hours.

Dated: May 2, 2018.

TSA Paperwork Reduction Act Officer,

Office of Information Technology.
