Notice of Revised Schedule for Environmental Review of the Calcasieu Pass Project:  
Venture Global Calcasieu Pass, Llc; Transcameron Pipeline, Llc

(May 18, 2018)

This notice identifies the Federal Energy Regulatory Commission staff's revised schedule for the completion of the environmental impact statement (EIS) for Venture Global Calcasieu Pass, LLC and TransCameron Pipeline, LLC's Calcasieu Pass Project. The first notice of schedule, issued on November 29, 2017, identified July 3, 2018 as the final EIS issuance date. Due to staff's recent request for supplemental engineering information, staff has revised the schedule for issuance of the final EIS based on an issuance of the draft EIS in June 2018. The forecasted schedule for both the draft and final EIS is based upon Global Calcasieu Pass, LLC and TransCameron Pipeline, LLC providing complete and timely responses to any future data requests. In addition, the schedule assumes that the cooperating agencies will provide input on their areas of responsibility on a timely basis.

**Schedule for Environmental Review**
