Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The Language Resource Centers (LRC) Program provides grants to institutions of higher education (IHEs) or consortia of IHEs for establishing, strengthening, and operating centers that serve as resources for improving the Nation’s capacity for teaching and learning foreign languages through teacher training, research, materials development, assessment, and dissemination projects.

Priorities: This notice includes two competitive preference priorities. In accordance with 34 CFR 75.105(b)(2)(ii), Competitive Preference Priority 1 is from 34 CFR 669.22(a)(2). Competitive Preference Priority 2 is from the notice of final priorities for this program.
published in the Federal Register on June 6, 2014 (79 FR 32651) (the NFP).

Competitive Preference Priorities: For FY 2018 and any subsequent year in which we make awards from the list of unfunded applications from this competition, these priorities are competitive preference priorities. Under 34 CFR 75.105(c)(2)(i), we award up to an additional five points depending on how well the application meets Competitive Preference Priority 1, and up to an additional five points depending on how well the application meets Competitive Preference Priority 2. An applicant may receive a total of up to 10 additional points under the competitive preference priorities.

These priorities are:

Competitive Preference Priority 1: Applications that Propose Activities with a Significant Focus on Less Commonly Taught Languages (LCTLs) (up to 5 points).

Background: Under 34 CFR 669.22(a)(2), the Department may establish a priority for specific foreign languages for study or materials development. For Competitive Preference Priority 1, we took into consideration the findings in the recent Modern Language Association of America (MLA) survey.

of fall 2016 undergraduate and graduate enrollments in
language courses at 2,547 postsecondary institutions in the
United States. Of 1,417,921 total enrollments, the three
most-studied modern foreign languages included Spanish with
712,240 enrollments or 50 percent; French with 175,667
enrollments or 12 percent; and German with 80,594
enrollments or 6 percent. Together, these three languages
represented 968,501 or 68 percent of enrollments. Other
languages, with 34,830 enrollments, constituted 25 percent
of enrollments for the same period.

The findings in the MLA survey are consistent with the
definition of “Less Commonly Taught Languages” used by the
Center for Advanced Research on Language Acquisition
(CARLA).\(^2\) CARLA defines LCTLs as “all of the world’s
languages except English, French, German, and Spanish.”

**Priority:** Applications that propose activities with a
significant focus on the teaching and learning of any
modern foreign languages except French, German, and
Spanish.

**Competitive Preference Priority 2:** Collaboration with
Minority-Serving Institutions (MSIs) or community colleges
(up to 5 points).

\(^2\) Center for Advanced Research on Language Acquisition, University of Minnesota. www.carla.umn.edu
Applications that propose significant and sustained collaborative activities with one or more Minority-Serving Institutions (MSIs) (as defined in this notice) and/or with one or more community colleges (as defined in this notice).

These activities must be designed to incorporate foreign languages into the curriculum at the MSI(s) or community college(s), and to improve foreign language instruction at the MSI(s) or community college(s). If an applicant institution is an MSI or a community college (as defined in this notice), that institution can meet the intent of this priority by proposing intra-campus collaborative activities instead of, or in addition to, collaborative activities with other MSIs and/or community colleges. For the purpose of this priority:

Community college means an institution that meets the definition in section 312(f) of the Higher Education Act of 1965, as amended (HEA) (20 U.S.C. 1058(f)); or an institution of higher education (as defined in section 101 of the HEA (20 U.S.C. 1001)) that awards degrees and certificates, more than 50 percent of which are not bachelor’s degrees (or an equivalent) or master’s, professional, or other advanced degrees.

Minority-Serving Institution (MSI) means an institution that is eligible to receive assistance under
sections 316 through 320 of part A of title III, under part B of title III, or under title V of the HEA.

Note: The institutions designated eligible under title III and title V may be viewed at: www2.ed.gov/about/offices/list/ope/idues/eligibility.html.

**Program Authority:** 20 U.S.C. 1123.

**Applicable Regulations:**

(a) The Education Department General Administrative Regulations in 34 CFR parts 75, 76, 77, 79, 81, 82, 84, 86, 97, 98, and 99.  (b) The Office of Management and Budget Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement) in 2 CFR part 180, as adopted and amended as regulations of the Department in 2 CFR part 3485.  (c) The Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards in 2 CFR part 200, as adopted and amended as regulations of the Department in 2 CFR part 3474.  (d) 34 CFR parts 655 and 669.  (e) The NFP.

Note: The regulations in 34 CFR part 86 apply to IHEs only.

**Areas of National Need:** In accordance with section 601(c) of the HEA, 20 U.S.C. 1121(c), the Secretary consulted with a wide range of Federal agencies and received recommendations regarding national need for expertise in
foreign language and world regions. These agencies’ recommendations may be viewed at: www2.ed.gov/about/offices/list/ope/iegps/index.html.

3. Funding Restrictions: We specify unallowable costs in 34 CFR 669.30. We reference additional regulations outlining funding restrictions in the Applicable Regulations section of this notice.

4. Recommended Page Limit: The application narrative (Part III of the application) is where you, the applicant, address the priorities, selection criteria, and application requirements that reviewers use to evaluate your application. We recommend that you (1) limit the
application narrative to no more than 50 pages and (2) use the following standards:

- A “page” is 8.5” x 11”, on one side only, with 1” margins at the top, bottom, and both sides.
- Double space (no more than three lines per vertical inch) all text in the application narrative, except titles, headings, footnotes, quotations, references, and captions. Charts, tables, figures, and graphs in the application narrative may be single spaced and will count toward the recommended page limit.
- Use a font that is either 12 point or larger or no smaller than 10 pitch (characters per inch). However, you may use a 10 point font in charts, tables, figures, and graphs.
- Use one of the following fonts: Times New Roman, Courier, Courier New, or Arial.

The recommended page limit does not apply to Part I, the Application for Federal Assistance face sheet (SF 424); the supplemental SF 424 form; Part II, Budget Information—Non-Construction Programs (ED 524); Part IV, the assurances, certifications, and the response to section 427 of the General Education Provisions Act; the table of contents; the one-page project abstract; the appendices; or the line
item budget. However, the recommended page limit does apply to all of the application narrative section.

5. **Award Basis:** In determining whether to approve a grant award and the amount of such award, the Department will take into consideration, among other things, the applicant’s performance and use of funds under a previous or existing award under any Department program (34 CFR 75.217(d)(3)(ii) and 75.233(b)). In assessing the applicant’s performance and use of funds under a previous or existing award, the Secretary will consider, among other things, the outcomes the applicant has achieved and the results of any Departmental grant monitoring, including the applicant’s progress in remedying any deficiencies identified in such monitoring.

2. Review and Selection Process: We remind potential applicants that in reviewing applications in any
discretionary grant competition, the Secretary may consider, under 34 CFR 75.217(d)(3), the past performance of the applicant in carrying out a previous award, such as the applicant’s use of funds, achievement of project objectives, and compliance with grant conditions. The Secretary may also consider whether the applicant failed to submit a timely performance report or submitted a report of unacceptable quality.

In addition, in making a competitive grant award, the Secretary also requires various assurances including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department of Education (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).

3. Risk Assessment and Specific Conditions: Consistent with 2 CFR 200.205, before awarding grants under this program the Department conducts a review of the risks posed by applicants. Under 2 CFR 3474.10, the Secretary may impose specific conditions and, in appropriate circumstances, high-risk conditions on a grant if the applicant or grantee is not financially stable; has a history of unsatisfactory performance; has a financial or other management system that does not meet the standards in
2 CFR part 200, subpart D; has not fulfilled the conditions of a prior grant; or is otherwise not responsible.

4. **Integrity and Performance System**: If you are selected under this competition to receive an award that over the course of the project period may exceed the simplified acquisition threshold (currently $150,000), under 2 CFR 200.205(a)(2) we must make a judgment about your integrity, business ethics, and record of performance under Federal awards—that is, the risk posed by you as an applicant—before we make an award. In doing so, we must consider any information about you that is in the integrity and performance system (currently referred to as the Federal Awardee Performance and Integrity Information System (FAPIIS)), accessible through the System for Award Management. You may review and comment on any information about yourself that a Federal agency previously entered and that is currently in FAPIIS.

Please note that if the total value of your currently active grants, cooperative agreements, and procurement contracts from the Federal Government exceeds $10,000,000, the reporting requirements in 2 CFR part 200, Appendix XII, require you to report certain integrity information to FAPIIS semiannually. Please review the requirements in 2
CFR part 200, Appendix XII, if this grant plus all the other Federal funds you receive exceed $10,000,000.

VI. Award Administration Information

1. **Award Notices:** If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN); or we may send you an email containing a link to access an electronic version of your GAN. We may notify you informally, also.

   If your application is not evaluated or not selected for funding, we notify you.

2. **Administrative and National Policy Requirements:** We identify administrative and national policy requirements in the application package and reference these and other requirements in the **Applicable Regulations** section of this notice.

   We reference the regulations outlining the terms and conditions of an award in the **Applicable Regulations** section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. **Open Licensing Requirements:** Unless an exception applies, if you are awarded a grant under this competition, you will be required to openly license to the public grant
deliverables created in whole, or in part, with Department grant funds. When the deliverable consists of modifications to pre-existing works, the license extends only to those modifications that can be separately identified and only to the extent that open licensing is permitted under the terms of any licenses or other legal restrictions on the use of pre-existing works. Additionally, a grantee or subgrantee that is awarded competitive grant funds must have a plan to disseminate these public grant deliverables. This dissemination plan can be developed and submitted after your application has been reviewed and selected for funding. For additional information on the open licensing requirements please refer to 2 CFR 3474.20.

4. Reporting: (a) If you apply for a grant under this competition, you must ensure that you have in place the necessary processes and systems to comply with the reporting requirements in 2 CFR part 170.110(b).

(b) At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as specified by the
Secretary in 34 CFR 75.118. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to www.ed.gov/fund/grant/apply/appforms/appforms.html.

Performance reports for the LRC Program must be submitted electronically into the office of International and Foreign Language (IFLE) web-based reporting system, International Resource Information System (IRIS). For information about IRIS and to view the reporting instructions, please go to www.ed.gov/fund/grant/apply/appforms/appforms.html.

(c) Under 34 CFR 75.250(b), the Secretary may provide a grantee with additional funding for data collection analysis and reporting. If a grantee is provided additional funding for this purpose, the Secretary establishes a data collection period.

5. **Performance Measures:** Under the Government Performance and Results Act of 1993, the following measures will be used to evaluate the success of the LRC Program:

   (a) Percentage of LRC products or activities judged to be successful by LRC customers with respect to quality, usefulness and relevance.
(b) Percentage of LRC products judged to be successful by an independent expert review panel with respect to quality, usefulness and relevance.

(c) Cost per LRC project that increased the number of training programs for K-16 instructors of LCTLs (efficiency measure).

The information provided by grantees in their performance reports submitted via the IRIS reporting system will be the source of data for these measures. Reporting screens for institutions can be viewed at: http://iris.ed.gov/iris/pdfs/LRC.pdf.

6. **Continuation Awards:** In making a continuation award under 34 CFR 75.253, the Secretary considers, among other things: whether a grantee has made substantial progress in achieving the goals and objectives of the project; whether the grantee has expended funds in a manner that is consistent with its approved application and budget; and, if the Secretary has established performance measurement requirements, the performance targets in the grantee’s approved application.

In making a continuation award, the Secretary also considers whether the grantee is operating in compliance with the assurances in its approved application, including those applicable to Federal civil rights laws that prohibit
discrimination in programs or activities receiving Federal financial assistance from the Department (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).
