

DEPARTMENT OF TRANSPORTATION

[4910-22-P]

Federal Highway Administration

23 CFR Part 658

[FHWA Docket No. FHWA-2018-0016]

RIN 2125-AF82

Addition to the National Network

AGENCY: Federal Highway Administration (FHWA), U.S. Department of Transportation (DOT).

ACTION: Final rule.

SUMMARY: The FHWA is approving the addition of Sheridan Boulevard (NY 895) to the National Network (NN) and revising its regulations to reflect the addition. The facility currently known as “Interstate-895 Sheridan Expressway” in New York City, located in Bronx County, will be reconstructed, removed from the National System of Interstate and Defense Highways (Interstate System) to accommodate new design features, and classified as an “Urban Principal Arterial – Other.” This facility will be identified as the “Sheridan Boulevard (NY 895).”

DATES: This rule is effective [Insert date 30 days after date of publication in the FEDERAL REGISTER].

FOR FURTHER INFORMATION CONTACT: For technical information, contact Ms. Caitlin Hughes, FHWA Office of Freight Management and Operations, (202) 493-0457. For legal information, contact Mr. William Winne, Office of Chief Counsel, (202) 366-1397. Federal Highway Administration, 1200 New Jersey Avenue, SE., Washington, DC 20590. Office hours are from 7:45 a.m. to 4:15 p.m., e.t., Monday

through Friday, except Federal holidays.

SUPPLEMENTARY INFORMATION:

Electronic Access and Filing

This document and all comments received may be viewed online through the Federal eRulemaking portal at www.regulations.gov. It is available 24 hours each day, 365 days each year. Please follow the instructions online for more information and help.

An electronic copy of this document may also be downloaded by accessing the Office of the Federal Register's home page at: <http://www.archives.gov> and the Government Publishing Office's Web page at: <http://www.access.gpo.gov/nara>.

Background

The NN consists of Interstate System routes (except exempted routes) and those non-Interstate System routes added through the rulemaking process. See 49 U.S.C. 31111(e)-(f) and 31113(e); 23 CFR Part 658 Appendix A; see also 49 FR 23302 (June, 5, 1984). To ensure that the NN remains substantially intact, FHWA retains the authority to rule upon all requests for additions to, and deletions from, the NN as well as requests for the imposition of certain restrictions. Pursuant to 23 CFR 658.11, requests for additions to the NN must be submitted in writing to the appropriate FHWA Division Office and endorsed by the Governor or the Governor's authorized representative. Proposals for addition of routes to the NN must also be accompanied by an analysis of suitability based on the criteria in 23 CFR 658.9. Once a non-Interstate System route is added to the NN, it is included in Appendix A of 23 CFR Part 658 - National Network - Federally Designated Routes.

On November 10, 2017, FHWA received a request from the New York State

Department of Transportation (NYSDOT) proposing a modification to the Interstate System. The request, available in the rulemaking docket, proposes the de-designation (removal from the Interstate System) of the Sheridan Expressway (I-895), approximately a 1.3-mile Interstate between the Bruckner Expressway (I-278) and the Cross Bronx Expressway (I-95). As part of the de-designation, the State also proposes the functional reclassification of this highway segment from an Interstate to “Urban Principal Arterial – Other” and to rename the road Sheridan Boulevard (NY-895). The physical alignment of the highway would be maintained, and it would therefore continue to provide the same access for commercial vehicles as currently exists. The FHWA intends to act on this request pursuant to its regulatory authority on revisions to the Interstate System (23 CFR 470.115(a) and 23 CFR 658.11(d)) and guidance on Interstate System de-designations (https://www.fhwa.dot.gov/planning/national_highway_system/interstate_highway_system/withdrawalqa.cfm).

The NYSDOT intends to keep Sheridan Boulevard (NY-895) in the NN. Because the route would no longer be in the Interstate System, it must be added to NN as a non-Interstate System route and be listed in 23 CFR Part 658 Appendix A. The NYSDOT proposal included the required analysis of suitability based on the criteria in 23 CFR 658.9, which includes a crash analysis and safety study, and also documents effects on Interstate commerce, effects on alternate routes, effects on traffic operations, and consultation with local governments.

The FHWA reviewed NYSDOT’s proposal and affirms that the request to add a route to the NN is consistent with 23 CFR 658.9 and 658.11 with respect to the criteria for the NN and the procedures for additions to the NN. The FHWA published a Notice of

Proposal Rulemaking at 83 FR 15524 on April 11, 2018, proposing to approve the addition of Sheridan Boulevard (NY 895) to the NN and to revise existing regulations (23 CFR Part 658 Appendix A) to reflect the addition. The FHWA did not receive any comments to the NPRM and is adopting the changes as proposed.

Rulemaking Analyses and Notices

As the Sheridan Expressway is already part of the NN due to its Interstate designation, FHWA has determined there would be no substantive impact to the public resulting from the addition of the reconstructed facility, Sheridan Boulevard, to the NN.

Executive Order 13771 (Reducing Regulation and Controlling Regulatory Costs), Executive Order 12866 (Regulatory Planning and Review), Executive Order 13563 (Improving Regulation and Regulatory Review), and DOT Regulatory Policies and Procedures

Executive Orders 12866 and 13563 direct agencies to assess all costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits (including potential economic, environmental, public health and safety effects, distributive impacts, and equity). The FHWA has determined that this action is not a significant regulatory action within the meaning of Executive Order 12866 and is not significant within the meaning of DOT regulatory policies and procedures. Executive Order 13563 emphasizes the importance of quantifying both costs and benefits, reducing costs, harmonizing rules, and promoting flexibility. It is anticipated that the economic impact of this rulemaking would be minimal. These changes would not adversely affect, in a material way, any sector of the economy. In addition, these changes would not interfere with any action taken or

planned by another agency and would not materially alter the budgetary impact of any entitlements, grants, user fees, or loan programs. Consequently, a full regulatory evaluation is not required. Finally, this rule is not an EO 13771 regulatory action because it is not significant under EO 12866.

Regulatory Flexibility Act

In compliance with the Regulatory Flexibility Act (Pub. L. 96-354, 5 U.S.C. 601-612), the FHWA has evaluated the effects of this action on small entities and has determined that the action would not have a significant economic impact on a substantial number of small entities. “Small entities” include small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations under 50,000. This action does not affect any funding distributed under any of the programs administered by FHWA. For these reasons, FHWA certifies that this action would not have a significant economic impact on a substantial number of small entities.

Unfunded Mandates Reform Act of 1995

This rule would not impose unfunded mandates as defined by the Unfunded Mandates Reform Act of 1995 (Pub. L. 104-4, 109 Stat. 48). This rule would not result in the expenditure by State, local, and Tribal governments, in the aggregate, or by the private sector, of \$148.1 million or more in any one year (2 U.S.C. 1532).

Executive Order 13132 (Federalism Assessment)

This action has been analyzed in accordance with the principles and criteria contained in Executive Order 13132, and FHWA has determined that this action would not have sufficient federalism implications to warrant the preparation of a federalism

assessment. The FHWA has also determined that this action would not preempt any State law or State regulation or affect the States' ability to discharge traditional State governmental functions.

Executive Order 13211 (Energy Effects)

We have analyzed this action under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use, dated May 18, 2001. We have determined that it is not a significant energy action under that order since it is not likely to have a significant adverse effect on the supply, distribution, or use of energy. Therefore, a Statement of Energy Effects is not required.

Executive Order 12372 (Intergovernmental Review)

Catalog of Federal Domestic Assistance Program Number 20.205, Highway Planning and Construction. The regulations implementing Executive Order 12372 regarding intergovernmental consultation on Federal programs and activities apply to this program.

Paperwork Reduction Act

Under the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3501), Federal agencies must obtain approval from the Office of Management and Budget for each collection of information they conduct, sponsor, or require through regulations. The FHWA has determined that this rule does not contain collection of information requirements for the purposes of the PRA.

Executive Order 12988 (Civil Justice Reform)

This action meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and

reduce burden.

Executive Order 13045 (Protection of Children)

The FHWA has analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. The FHWA certifies that this action would not cause any environmental risk to health or safety that might disproportionately affect children.

Executive Order 12630 (Taking of Private Property)

The FHWA has analyzed this rule under Executive Order 12630, Governmental Actions and Interface with Constitutionally Protected Property Rights. The FHWA does not anticipate that this action would affect a taking of private property or otherwise have taking implications under Executive Order 12630.

National Environmental Policy Act

The Agency has analyzed this action for the purpose of the National Environmental Policy Act of 1969 (42 U.S.C. 4321 - 4347) and has determined that this action would not have any effect on the quality of the environment.

Regulation Identification Number

A regulation identification number (RIN) is assigned to each regulatory action listed in the Unified Agenda of Federal Regulations. The Regulatory Information Service Center publishes the Unified Agenda in April and October of each year. The RIN contained in the heading of this document can be used to cross reference this action with the Unified Agenda.

List of Subjects in 23 CFR Part 658

Grants Program-transportation, Highways and roads, Motor carriers.

Issued on: June 21, 2018.

Brandy L. Hendrickson
Acting Administrator
Federal Highway Administration

In consideration of the foregoing, the FHWA amends 23 CFR part 658, as set forth below:

**PART 658 – TRUCK SIZE AND WEIGHT, ROUTE DESIGNATIONS –
LENGTH, WIDTH AND WEIGHT LIMITATIONS**

1. The authority citation for part 658 continues to read as follows:

Authority: 23 U.S.C. 127 and 315; 49 U.S.C. 31111, 31112, and 31114; sec. 347, Pub. L. 108-7, 117 Stat. 419; sec. 756, Pub L. 109-59, 119 Stat. 1219; sec. 115, Pub. L. 109-115, 119 Stat. 2408; 49 CFR 1.48(b)(19) and (c)(19).

2. Amend Appendix A to Part 658 by adding an entry to the end of the New York portion of the table to read as follows:

Appendix A to Part 658 – National Network – Federally – Designated Routes

* * * * *

Route	From	To
* * * * *		
New York		
* * * * *		
Sheridan Boulevard (NY 895)	I-278 Bruckner Expressway	I-95 Cross Bronx Expressway
* * * * *
