[Release No. 34-83584; File No. SR-CBOE-2018-049]

Self-Regulatory Organizations; Cboe Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change to Amend its Fees Schedule Concerning MSCI EAFE Index Options and MSCI Emerging Markets Index Options

July 2, 2018.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on July 2, 2018, Cboe Exchange, Inc. (the “Exchange” or “Cboe Options”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend its Fees Schedule. The text of the proposed rule change is available on the Exchange’s website (<http://www.cboe.com/AboutCBOE/CBOELegalRegulatoryHome.aspx>), at the Exchange’s Office of the Secretary, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend its Fees Schedule, effective July 2, 2018. Particularly, the Exchange is proposing to adopt a customer transaction fee for MSCI EAFE Index (MXEA) options and MSCI Emerging Markets Index (MXEF) options ("MSCI Options"). Currently, the Exchange does not assess any customer transaction fees for MSCI options. The Exchange is proposing to adopt a \$0.25 per contract fee for customer transaction fees for transactions in MSCI Options. The Exchange notes that the proposed fee amount is in line with customer transaction fees assessed on other index products.<sup>3</sup>

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Securities Exchange Act of 1934 (the "Act") and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.<sup>4</sup> Specifically, the Exchange believes the proposed rule change is consistent with Section 6(b)(4) of the Act,<sup>5</sup> which provides that Exchange rules may provide for the equitable

allocation of reasonable dues, fees, and other charges among its Trading Permit Holders and other persons using its facilities.

In particular, the proposed change is reasonable because the proposed fee amount is within the range of amounts assessed on other index products (e.g., OEX Weeklys, XEO Weeklys and Sector Indexes).<sup>6</sup> The proposed change to the customer MSCI options transaction fees is equitable and not unfairly discriminatory because it applies uniformly to all customer transactions in MSCI options. The Exchange also believes it's reasonable, equitable and not unfairly discriminatory that the proposed fee amount is still less than the amount assessed for MSCI options for other market participants because Customer order flow enhances liquidity on the Exchange for the benefit of all market participants.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange does not believe that the proposed change to customer MSCI options transaction fees will cause any unnecessary burden on intramarket competition because, while customers are assessed different, and often lower, fee rates than other market participants, Customer order flow enhances liquidity on the Exchange for the benefit of all market participants. Moreover, the options industry has a long history of providing preferential pricing to Customers, and the Exchange's current Fees Schedule currently does so in many places. Additionally, the proposed Customer fee amount will be applied equally to all Customers (meaning that all Customers will be assessed the same amount for MSCI Options). The Exchange does not believe that the proposed changes to

the customer MSCI Options transaction fees will cause any unnecessary burden on intermarket competition because the change only affects trading on Cboe Options. To the extent that the proposed changes make Cboe Options a more attractive marketplace for market participants at other exchanges, such market participants are welcome to become Cboe Options market participants.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>7</sup> and paragraph (f) of Rule 19b-4<sup>8</sup> thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule change should be approved or disapproved.
