Data collection will include three primary surveys: (1) a survey administered at the time of TLP enrollment (baseline), (2) a survey administered 6 months after enrollment, which will collect information on short-term outcomes; and (3) a survey administered at 12 months, which will collect information on longer-term outcomes." Participants will be enrolled through the TLP study sites.

Respondents: Runaway and homeless youth ages 16 to 22 who agree to participate in the study upon enrollment into one of the TLP study sites.
