**SUPPLEMENTARY INFORMATION:**

PHMSA periodically conducts this Pipeline Research and Development Forum to generate a national research agenda that fosters solutions to the many challenges with pipeline safety and protecting the environment. The forum allows the public, government and industry pipeline stakeholders to provide input on the technical gaps and challenges for future research. It also reduces duplication of programs, factors ongoing research efforts, leverages resources and broadens synergies. The national research agenda that will be developed through this forum will help PHMSA align its research program with the needs of its pipeline safety mission and make use of the best available knowledge and expertise, as well as considering the perspectives of stakeholders.

Issued in Washington, D.C. on July 11, 2018, under authority delegated in 49 CFR 1.97.

Alan K. Mayberry,  
Associate Administrator for Pipeline Safety.
