[Docket No. FDA-2018-D-1175]

Atopic Dermatitis: Timing of Pediatric Studies During Development of Systemic Drugs;

Guidance for Industry; Availability

AGENCY: Food and Drug Administration, HHS.

ACTION: Notice of availability.

SUMMARY: The Food and Drug Administration (FDA or Agency) is announcing the availability of a final guidance for industry entitled “Atopic Dermatitis: Timing of Pediatric Studies During Development of Systemic Drugs.” This guidance addresses FDA’s current thinking about the relevant age groups to study and how early in drug development applicants should incorporate pediatric patients for development of systemic drugs for atopic dermatitis (AD). This guidance finalizes the draft guidance of the same name issued on April 9, 2018.

DATES: The announcement of the guidance is published in the *Federal Register* on [INSERT DATE OF PUBLICATION IN THE *FEDERAL REGISTER*].

ADDRESSES: You may submit either electronic or written comments on Agency guidances at any time as follows:

Electronic Submissions

Submit electronic comments in the following way:

- Federal eRulemaking Portal: <https://www.regulations.gov>. Follow the instructions for submitting comments. Comments submitted electronically, including attachments, to <https://www.regulations.gov> will be posted to the docket unchanged.

Because your comment will be made public, you are solely responsible for ensuring that your comment does not include any confidential information that you or a third party may not wish to be posted, such as medical information, your or anyone else's Social Security number, or confidential business information, such as a manufacturing process. Please note that if you include your name, contact information, or other information that identifies you in the body of your comments, that information will be posted on <https://www.regulations.gov>.

- If you want to submit a comment with confidential information that you do not wish to be made available to the public, submit the comment as a written/paper submission and in the manner detailed (see "Written/Paper Submissions" and "Instructions").

Written/Paper Submissions

Submit written/paper submissions as follows:

- Mail/Hand delivery/Courier (for written/paper submissions): Dockets Management Staff (HFA-305), Food and Drug Administration, 5630 Fishers Lane, Rm. 1061, Rockville, MD 20852.
- For written/paper comments submitted to the Dockets Management Staff, FDA will post your comment, as well as any attachments, except for information submitted, marked and identified, as confidential, if submitted as detailed in "Instructions."

Instructions: All submissions received must include the Docket No. FDA-2018-D-1175 for "Atopic Dermatitis: Timing of Pediatric Studies During Development of Systemic Drugs." Received comments will be placed in the docket and, except for those submitted as "Confidential Submissions," publicly viewable at <https://www.regulations.gov> or at the Dockets Management Staff between 9 a.m. and 4 p.m., Monday through Friday.

- Confidential Submissions--To submit a comment with confidential information that you do not wish to be made publicly available, submit your comments only as a written/paper submission. You should submit two copies total. One copy will include the information you claim to be confidential with a heading or cover note that states “THIS DOCUMENT CONTAINS CONFIDENTIAL INFORMATION.” The Agency will review this copy, including the claimed confidential information, in its consideration of comments. The second copy, which will have the claimed confidential information redacted/blacked out, will be available for public viewing and posted on <https://www.regulations.gov>. Submit both copies to the Dockets Management Staff. If you do not wish your name and contact information to be made publicly available, you can provide this information on the cover sheet and not in the body of your comments and you must identify this information as “confidential.” Any information marked as “confidential” will not be disclosed except in accordance with 21 CFR 10.20 and other applicable disclosure law. For more information about FDA’s posting of comments to public dockets, see 80 FR 56469, September 18, 2015, or access the information at: <https://www.gpo.gov/fdsys/pkg/FR-2015-09-18/pdf/2015-23389.pdf>.

Docket: For access to the docket to read background documents or the electronic and written/paper comments received, go to <https://www.regulations.gov> and insert the docket number, found in brackets in the heading of this document, into the “Search” box and follow the prompts and/or go to the Dockets Management Staff, 5630 Fishers Lane, Rm. 1061, Rockville, MD 20852.

You may submit comments on any guidance at any time (see 21 CFR 10.115(g)(5)).

SUPPLEMENTARY INFORMATION:

I. Background

FDA is announcing the availability of a guidance for industry entitled “Atopic Dermatitis: Timing of Pediatric Studies During Development of Systemic Drugs.” This guidance addresses FDA’s current thinking about the relevant age groups to study and how early in drug development applicants should incorporate pediatric patients for development of systemic drugs for AD. This guidance has only minor editorial changes and finalizes the draft guidance of the same name issued on April 9, 2018 (83 FR 15157) to which no comments were received.

This guidance is being issued consistent with FDA’s good guidance practices regulation (21 CFR 10.115). The guidance represents the current thinking of FDA on “Atopic Dermatitis: Timing of Pediatric Studies During Development of Systemic Drugs.” It does not establish any rights for any person and is not binding on FDA or the public. You can use an alternative

approach if it satisfies the requirements of the applicable statutes and regulations. This guidance is not subject to Executive Order 12866.

II. Paperwork Reduction Act of 1995

This guidance refers to previously approved collections of information found in FDA regulations. These collections of information are subject to review by the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520). The collections of information related to the burden on the submission of new drug applications in 21 CFR 314.50(d)(7), including pediatric use information, have been approved under OMB control number 0910-0001. The collections of information related to the burden on the submission of investigational new drug applications in § 312.47(b)(1)(iv) (21 CFR 312.47(b)(1)(iv)), including plans for pediatric studies, have been approved under OMB control number 0910-0014. The collections of information related to the burden for requesting meetings with FDA about drug development programs in §§ 312.47 and 312.82 have been approved under OMB control number 0910-0429. The collections of information related to the burden on the submission of information about expedited review programs for serious conditions and the guidance for industry entitled “Expedited Programs for Serious Conditions--Drugs and Biologics” (available at <https://www.fda.gov/ucm/groups/fdagov-public/@fdagov-drugs-gen/documents/document/ucm358301.pdf>) have been approved under OMB control number 0910-0765. The collections of information referenced in this guidance that are related to the burden on the submission of biologics license applications covered under 21 CFR part 601, including pediatric use information, have been approved under OMB control number 0910-0338.
