SUPPLEMENTARY INFORMATION:

Background

On July 10, 2017, Commerce published a notice of initiation of a new shipper review of fresh garlic from China for the period November 1, 2016, through April 30, 2017.¹ On May 17,
2018, Commerce published the preliminary results of this new shipper review. On August 1, 2018, Commerce cancelled the planned verification of Doo Won’s responses due to the unverifiable state of the record. The period of review (POR) is November 1, 2016, through April 30, 2017. A summary of the events that occurred since Commerce published the Preliminary Results, as well as a full discussion of the issues raised by parties for this final determination, are found in the Issues and Decision Memorandum, dated concurrently with, and hereby adopted by, this notice. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at http://access.trade.gov, and it is available to all parties in the Central Records Unit, room B8024 of the main Commerce building. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly at http://enforcement.trade.gov/frn/. The signed and electronic versions of the Issues and Decision Memorandum are identical in content.

**Final Rescission of New Shipper Review**

As explained in the Issues and Decision Memorandum, we continue to find that Doo Won is not the producer of the garlic subject to this review. Accordingly, its new shipper review request was invalid under 19 CFR 351.214(b)(2)(ii). As a result, we are rescinding the new shipper review of Doo Won.

Notification to Importers

This notice serves as final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in the Secretary of Commerce’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.
