**SUPPLEMENTARY INFORMATION:** Sections 4233(a) and (b) of the Employee Retirement Income Security Act of 1974 (ERISA) allow a plan sponsor of a multiemployer plan to apply to PBGC for a partition of the plan and state the criteria that PBGC uses to determine a plan's eligibility for a partition.

PBGC's regulation on Partitions of Eligible Multiemployer Plans (29 CFR part 4233) sets forth the procedures for applying for a partition, the information required to be included in a partition application, and notices to interested parties of the application.

PBGC needs the information to determine whether a plan is eligible for partition and whether a proposed partition would comply with the statutory conditions required before PGBC may order a partition.

The existing collection of information was approved under OMB control number 1212-0068 (expires December 31, 2018). On August 17, 2018, PBGC published in the Federal Register (at 83 FR 41113) a notice informing the public of its intent to request an extension of this collection of information. PBGC did not receive any comments about this collection of information. PBGC is requesting that OMB extend approval of the collection for three

years. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

PBGC estimates that there will be six applications for partition each year for which plan sponsors submit applications under this regulation. The total estimated annual burden of the collection of information is 78 hours and \$239,400.
