**SUMMARY:** The Department of Homeland Security (DHS), Science and Technology (S&T) is proposing to reinstate OMB 1640-0016, an information collection, by inviting the public to comment on the collection: First Responders Community of Practice (FRCoP) User Registration Page (DHS Form 10059 (9/09)). The FRCoP web based tool collects profile information from first responders and select authorized non-first responder users to facilitate networking and formation of online communities. All users are required to authenticate prior to entering the site. In addition, the tool provides members the capability to create wikis, discussion threads, blogs, documents, etc., allowing them to enter and upload content in accordance with the site's Rules of Behavior. Members are able to participate in threaded discussions and comment on other members' content. The FRCoP program is responsible for providing a collaborative environment for the first responder community to share information, best practices, and lessons learned. The Homeland Security Act of 2002 established this requirement. Interested persons may receive a copy of the collection by contacting the DHS S&T Paperwork Reduction Act (PRA) Coordinator.
