[Release No. 34-84899; File No. SR-NYSE-2018-65]

Self-Regulatory Organizations; New York Stock Exchange LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change to Amend Its Price List Regarding Certain Bond Trading License Fee Waivers

December 20, 2018

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the “Act”)² and Rule 19b-4 thereunder,³ notice is hereby given that, on December 19, 2018, New York Stock Exchange LLC (“NYSE” or the “Exchange”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend its Price List to (i) extend a fee waiver for new firm application fees for applicants seeking only to obtain a bond trading license (“BTL”) for 2019; and (ii) waive the BTL fee for 2019. The Exchange proposes to implement the fee changes effective January 2, 2019. The proposed rule change is available on the Exchange’s website at

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend its Price List to (i) extend a fee waiver for new firm application fees for applicants seeking only to obtain a BTL for 2019;⁴ and (iii) waive the BTL fee for 2019. The Exchange proposes to implement the fee changes effective January 2, 2019.

The Exchange currently charges a New Firm Fee ranging from \$2,500 to \$20,000, depending on the type of firm, which is charged per application for any broker-dealer that applies to be approved as an Exchange member organization. The Exchange proposes to waive the New Firm Fee for 2019 for new member organization applicants that are seeking only to obtain a BTL and not trade equities at the Exchange. The proposed waiver of the New Firm Fee would be available only to applicants seeking approval as a new member organization, including carrying

⁴ The Exchange initially filed to adopt the fee waiver and waive the BTL fee in 2015. See Securities Exchange Act Release No. 74031 (January 12, 2015), 80 FR 2462 (January 16, 2015) (SR-NYSE-2014-78). The Exchange subsequently filed to extend the fee waiver and waive the BTL fee in 2017 and 2018. See Securities Exchange Act Release Nos. 79710 (December 29, 2016), 82 FR 1395 (January 5, 2017) (SR-NYSE-2016-89); and 82418 (December 28, 2017), 83 FR 568 (January 4, 2018) (SR-NYSE-2017-70).

firms, introducing firms, or non-public organizations, which would be seeking to obtain a BTL at the Exchange and not trade equities. Further, if a new firm that is approved as a member organization and has had the New Firm Fee waived converts a BTL to a full trading license within one year of approval, the New Firm Fee would be charged in full retroactively. The Exchange believes that charging the New Firm Fee retroactively within a year of approval is appropriate because it would discourage applicants to claim that they are applying for a BTL solely to avoid New Firm Fees.

Additionally, the Exchange currently charges a BTL fee of \$1,000 per year. The Exchange proposes to amend the Price List to waive the BTL fee for 2019 for all member organizations.

The Exchange believes that the proposed fee changes would provide increased incentives for bond trading firms that are not currently Exchange member organizations to apply for Exchange membership and a BTL. The Exchange believes that having more member organizations trading on the Exchange's bond platform would benefit investors through the additional display of liquidity and increased execution opportunities in Exchange-traded bonds at the Exchange.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act,⁵ in general, and furthers the objectives of Sections 6(b)(4) and 6(b)(5) of the Act,⁶ in particular, because it provides for the equitable allocation of reasonable dues, fees, and other charges among its members, issuers and other persons using its facilities and does not unfairly discriminate between customers, issuers, brokers or dealers.

⁵ 15 U.S.C. 78f(b).

⁶ 15 U.S.C. 78f(b)(4), (5).

The Exchange believes that it is reasonable to waive the New Firm Fee and the annual BTL fee for 2019 to provide an incentive for bond trading firms to apply for Exchange membership and a BTL. The Exchange believes that providing an incentive for bond trading firms that are not currently Exchange member organizations to apply for membership and a BTL would encourage market participants to become members of the Exchange and bring additional liquidity to a transparent bond market. To the extent the existing New Firm Fees or the BTL fee serves as a disincentive for bond trading firms to become Exchange member organizations, the Exchange believes that the proposed fee change could expand the number of firms eligible to trade bonds on the Exchange. The Exchange believes creating incentives for bond trading firms to trade bonds on the Exchange protects investors and the public interest by increasing the competition and liquidity on a transparent market for bond trading. The proposed waiver of the New Firm Fee and BTL fee is equitable and not unfairly discriminatory because it would be offered to all market participants that wish to trade at the Exchange the narrower class of debt securities only.

B. Self-Regulatory Organization's Statement on Burden on Competition

In accordance with Section 6(b)(8) of the Act,⁷ the Exchange believes that the proposed rule change would not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. Debt securities typically trade in a decentralized over-the-counter ("OTC") dealer market that is less liquid and transparent than the equities markets. The Exchange believes that the proposed change would increase competition with these OTC venues by reducing the cost of being approved as and operating as an Exchange member organization that solely trades bonds at the Exchange, which the Exchange believes will enhance

⁷ 15 U.S.C. 78f(b)(8).

market quality through the additional display of liquidity and increased execution opportunities in Exchange-traded bonds at the Exchange.

The Exchange notes that it operates in a highly competitive market in which market participants can readily favor competing venues that are not transparent. In such an environment, the Exchange must continually review, and consider adjusting its fees and rebates to remain competitive with other exchanges as well as with alternative trading systems and other venues that are not required to comply with the statutory standards applicable to exchanges. Because competitors are free to modify their own fees and credits in response, and because market participants may readily adjust their order routing practices, the Exchange believes that the degree to which fee changes in this market may impose any burden on competition is extremely limited. As a result of all of these considerations, the Exchange does not believe that the proposed change will impair the ability of member organizations or competing order execution venues to maintain their competitive standing in the financial markets.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change is effective upon filing pursuant to Section 19(b)(3)(A)⁸ of the Act and subparagraph (f)(2) of Rule 19b-4⁹ thereunder, because it establishes a due, fee, or other charge imposed by the Exchange.

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such

action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)¹⁰ of the Act to determine whether the proposed rule change should be approved or disapproved.
