**SUPPLEMENTARY INFORMATION:** This ICR seeks approval under the PRA for revisions to the Performance Partnership Pilots for Disconnected Youth Program (P3) National Evaluation information collection. More specifically, this ICR seeks clearance for four data collection activities conducted as part of the evaluation's implementation and systems analyses: (1) site visit interviews; (2) focus group discussions with P3 youth participants; (3) a survey of partner managers; and (4) a survey of partner service providers. This information collection has been classified as a revision, because the DOL request to add one site visit to each of the six Cohort 2/3 pilots as well as visits to each of six exemplar pilots. In addition, phone interviews to each Cohort 1 program director were also added to the evaluation plan. Consolidated Appropriations Act of 2014 section 526 authorizes this information collection. *See* P.L. 113-76.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. *See* 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1219-0013. The current approval is scheduled to expire on April 30, 2020; however, the DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. New requirements would only take effect upon OMB approval. For additional substantive information about this ICR, see the related notice published in the *Federal Register* on May 19, 2016 (81 FR 31664).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the ADDRESSES section within thirty (30) days of publication of this notice in the *Federal Register*. In order to help ensure appropriate consideration, comments should mention OMB Control Number 1219-0013.

The OMB is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.
