OMB CONTROL NUMBER: 0581-0283

SUMMARY OF COLLECTION: The Agricultural Marketing Service, Dairy Grading Branch, dairy grading program is a voluntary user fee program authorized under the Agricultural Marketing Act of 1946 (7 U.S.C. 1621). The regulations governing inspection and grading services of manufactured or processed dairy products are contained in 7 CFR part 58. International markets are increasing for U.S. dairy products. NEED AND USE OF THE INFORMATION: Importing countries are requiring certification as to production methods and sources of raw ingredients for dairy products. Information will be gathered using DA-228 "Request for Applicant Number," DA-253 European Union Health Certificate Request," and the Sanitary Certificate Request. The information required on the sanitary certificates varies from country to country requiring specific forms for each country. Such information includes, but not limited to, identity of the importer and exporter; consignment specifics and border entry point at the country of destination.
