k. Description of Request: Cube Yadkin requests Commission approval for an amendment to the license for the Yadkin Hydroelectric Project. The 2016 project license authorized modifications to turbine/generator units at High Rock, Tuckertown, Narrows, and Falls developments. Cube Yadkin initiated unit modifications at High Rock, and conducted further testing at the other three developments. Cube Yadkin determined that the Tuckertown, Narrows, and Falls facilities are in good condition, and modifying these would not provide any benefit. Therefore, Cube Hydro proposes to keep the units at Tuckertown, Narrows, and Falls developments as is and not make any modifications. Cube Yadkin does not anticipate any environmental impacts as a result of the proposed amendment.
