

**DEPARTMENT OF JUSTICE  
Antitrust Division**

**Notice Pursuant to the National Cooperative Research and Production Act of 1993 -- American Society of Mechanical Engineers**

Notice is hereby given that, on January 28, 2019, pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. § 4301 et seq. ("the Act"), American Society of Mechanical Engineers ("ASME") has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing additions or changes to its standards development activities. The notifications were filed for the purpose of extending the Act's provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Specifically, since September 4, 2018, ASME has published five new standards, added one consensus committee charter, initiated two new standards activities, and withdrawn one proposed standard from consideration within the general nature and scope of ASME's standards development activities, as specified in its original notification. More detail regarding these changes can be found at [www.asme.org](http://www.asme.org).

On September 15, 2004, ASME filed its original notification pursuant to Section 6(a) of the Act. The

Department of Justice published a notice in the *Federal Register* pursuant to Section 6(b) of the Act on October 13, 2004 (69 FR 60895).

The last notification with the Department on was filed on September 6, 2018. A notice was filed in the *Federal Register* on October 11, 2018 (83 FR 51503).
