SUPPLEMENTARY INFORMATION

I. Background: Individuals filing for compensation benefits with the Office of Workers' Compensation Programs (OWCP) may be represented by an attorney or other representative. The representative is entitled to request a fee for services under the Federal Employees' Compensation Act (FECA) and under the Longshore and Harbor Workers' Compensation Act (LHWCA). The fee must be approved by the OWCP before any demand for payment can be made by the representative. This information collection request sets forth the criteria for the information, which must be presented by the respondent in order to have the fee approved

by the OWCP. The information collection does not have a particular form or format; the respondent must present the information in any format which is convenient and which meets all the required information criteria. This information collection is currently approved for use through May 31, 2019.

II. Review Focus: The Department of Labor is particularly interested in comments which:

- * evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

- * evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

- * enhance the quality, utility and clarity of the information to be collected; and

- * minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of
