B. Submitting Comments

Please include Docket ID **NRC-2019-0024** in the subject line of your comment submission, in order to ensure that the NRC is able to make your comment submission available to the public in this docket.

The NRC cautions you not to include identifying or contact information in comment submissions that you do not want to be publicly disclosed in your comment submission. The NRC will post all comment submissions at <http://www.regulations.gov> as well as enter the comment submissions into ADAMS, and the NRC does not routinely edit comment submissions to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the NRC, then you should inform those persons not to include identifying

or contact information that they do not want to be publicly disclosed in their comment submission. Your request should state that the NRC does not routinely edit comment submissions to remove such information before making the comment submissions available to the public or entering the comment into ADAMS.

II. Background

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the NRC is requesting public comment on its intention to request the OMB's approval for the information collection summarized below.

1. *The title of the information collection:* "Nondiscrimination on the Basis of Sex in Education Programs or Activities Receiving Federal Financial Assistance."

2. *OMB approval number:* 3150-0209.

3. *Type of submission:* Extension.

4. *The form number, if applicable:* NRC 781, "SBCR Compliance Review" and NRC 782, "Complaint Form."

5. *How often the collection is required or requested:* Title 10 of the *Code of Federal Regulations* (10 CFR) part 5 follows provisions covered in 10 CFR part 4, section 4.331. Compliance Reviews, which indicates that the NRC may conduct compliance reviews and Pre-Award reviews of recipients or use other similar procedures that will permit it to investigate and correct violations of the act and these regulations. The NRC may conduct these reviews even in the absence of a complaint against a recipient. The reviews may be as comprehensive as necessary to determine whether a violation of these regulation has occurred.

6. *Who will be required or asked to respond:* Recipients of federal financial assistance (FFA) provided by the NRC (including educational institutions, other nonprofit organizations receiving FFA, and Agreement States).

7. *The estimated number of annual responses: 800.*
8. *The estimated number of annual respondents: 200.*
9. *The estimated number of hours needed annually to comply with the information collection requirement or request: 3,600.*
10. *Abstract:* The proposed collection of information is necessary to ensure nondiscrimination and compliance with Federal civil rights regulations in NRC's FFA programs and activities.

III. Specific Requests for Comments

The NRC is seeking comments that address the following questions:

1. Is the proposed collection of information necessary for the NRC to properly perform its functions? Does the information have practical utility?
2. Is the estimate of the burden of the information collection accurate?
3. Is there a way to enhance the quality, utility, and clarity of the information to be collected?
4. How can the burden of the information collection on respondents be minimized, including the use of automated collection techniques or other forms of information technology?

Dated at Rockville, Maryland, this 20th day of March 2019.

For the Nuclear Regulatory Commission.

David C. Cullison,
NRC Clearance Officer,
Office of the Chief Information Officer.
