SUPPLEMENTARY INFORMATION:

Title: Recreation Fee and Wilderness Program Administration Forms

OMB Number: 0596-0106.

Type of Request: Extension with no change of a currently approved information collection.

Abstract: The Federal Lands Recreation and Enhancement Act (16 U.S.C. 6801-6814) authorizes the Forest Service to issue permits and charge fees for recreation uses of Federal recreational lands and waters, such as group activities, recreation events and motorized recreational vehicle use. In addition, permits may be issued as a means to disperse use, protect natural and cultural resources, provide for the health and safety of visitors, allocate capacity, and/or help cover the higher costs of providing specialized services.

Forms

FS-2300-26, *Recreation Fee Envelope*. Information collected includes the amount enclosed in the envelope, date in, date out, number of days paid, time and date of purchase, visitor's vehicle model and license number and registered State, visitor's home zip code, number in party, other charges (if applicable), visitor's Senior, Access Pass or Golden Passport number (if applicable), planned departure date (if applicable), site name,

camp's site type: Single campsite or group campsite (if applicable), campsite number (if applicable), and the number in group.

FS-2300-26a, *Recreation Fee Envelope*, is the same form as FS-2300-26; the difference is the color of the form is different to signify a specific Region's use.

FS-2300-30, *Visitor's Permit*. Information collected includes the visitor's name and address, area(s) to be visited, dates of visit, length of stay, location of entry and exit points, method of travel, number of people in the group, and where applicable, the number of pack and saddle stock (that is, the number of animals either carrying people or their gear), the number of dogs, and the number of watercraft and/or vehicles (where allowed).

The Forest Service employee who completes the Visitor's Permit will note on the permit any special restrictions or important information the visitor should know. The visitor receives a copy of the permit and instructions to keep the permit with them for the duration of the visit.

FS-2300-32, *Visitor Registration Card*. Information collected includes the visitor's name and address, area(s) to be visited, dates of visit, length of stay, location of entry and exit points, method of travel, number of people in the group, and where applicable, the number of pack and saddle stock (that is, the number of animals either carrying people or their gear) in the group, the number of dogs, and the number of watercraft and/or vehicles (where allowed).

FS-2300-43, *Permit for Short-Term, Noncommercial Use of Government-Owned Cabins and Lookouts* is used to record contact information including name, address, and telephone number, requested dates of occupancy, party size, and additional items if

applicable, such as number of pack animals and/or snowmobiles. If unable to collect this information, National Forests would not be able to manage their permit programs or disperse use, protect natural and cultural resources, provide for the health and safety of visitors, allocate capacity, and/or help cover the higher costs of providing specialized services on National Forest System recreational lands.

FS-2300-47, *National Recreation Application*, is a form used to apply for a recreation permit. Information collected includes the applicant's name, address, phone number and email address, location and activity type, date and time of requested use, itinerary, number in party, entry and exit points, day or overnight use, method of travel (if applicable), group organization or event name (if applicable), group leader name and contact information (if applicable), vehicle or boat registration and license number and State of issue (if applicable), type and number of boats, stock or off-highway vehicles (if applicable), and assessed fee and method of payment (if applicable).

FS-2300-48, *National Recreation Permit*, is used to authorize specific activities at particular facilities or areas. Information collected includes the group or individual's name, responsible person's signature, address, phone number, date of permit, method of travel, license number and description of vehicle and tow type, payment method and amount, number and types of water craft (if applicable), number in a group at a cabin or campsite (if applicable), number and type of off-highway vehicles or other vehicles, and number and type of other use (if applicable).

This information is used to manage the application process and to issue permits for recreation uses of Federal recreational lands and waters. The information will be collected by Federal employees and agents who are authorized to collect recreation fees

and/or issue recreation permits. Name and contact information will be used to inform applicants and permit holders of their success in securing a permit for a special area. Number in group, number and type of vehicles, water craft, or stock may be used to assure compliance with management area direction for recreational lands and waters and track visitation trends. A National Forest may use zip codes to help determine where the National Forest's visitor base originates. Activity information may be used to improve services. Personal information such as names, addresses, phone numbers, email addresses, and vehicle registration information will be secured and maintained in accordance with the system of records, National Recreation Reservation System (NRRS) USDA/FS-55.
