**Proposal under OMB delegated authority to extend for three years, without revision, the following information collection:**

*Agency form number:* FR 4014.

*OMB control number:* 7100-0139.

*Frequency:* Event generated.
Respondents: State member banks.

Estimated number of respondents: 15.

Estimated average hours per response: 30 minutes.

Estimated annual burden hours: 8 hours.

General description of report: The Board requires a state member bank to seek the prior approval of the appropriate Federal Reserve Bank before making an investment in bank premises that exceeds certain thresholds. There is no required reporting form (the FR 4014 designation is for internal purposes only), and each request for prior approval must be filed with the Reserve Bank that has direct supervisory responsibility for the requesting state member bank. The Federal Reserve uses the information provided in the notice to supervise state member banks.

Legal authorization and confidentiality: The FR 4014 is authorized by section 24A(a) of the Federal Reserve Act, which requires that state member banks obtain prior Board approval before making an investment in bank premises that exceeds certain statutory thresholds. The FR 4014 notification is required to obtain a benefit because banks wanting to make an investment in bank premises that exceed a certain threshold are required to notify the Federal Reserve. Generally, respondent data would not be confidential; however, individual respondents may request that the data be kept confidential on a case-by-case basis. If a respondent requests confidential treatment, the Board will determine whether the information is entitled to confidential treatment on an ad hoc basis in connection with the request. Any such determination will be made in accordance with the Freedom of Information Act (5 U.S.C. 552) and the Board’s rules regarding availability of information (12 CFR 261).

---

1 12 U.S.C. 371d(a). The Board has the authority to require state member banks to submit information as the Board deems necessary (12 U.S.C. 248(a)).
Board of Governors of the Federal Reserve System, April 9, 2019.

Michele Taylor Fennell,

Assistant Secretary of the Board.
