**A. Overview of Information Collection**

Title of Information Collection: Race and Ethnic Data Collection.

OMB Approval Number: 2535-0113.

Type of Request: Reinstatement with change of a previously approved collection.

Form Number: HUD Form 27061.

Description of the need for the information and proposed use: The information collected through HUD’s standardized Form for the Collection of Race and Ethnic Data is required under 24 CFR—PART 1—Nondiscrimination in Federally Assisted Programs of the Department of Housing and Urban Development—Effectuation of the Title VI of the Civil Rights Act of 1964. HUD’s Title VI regulations, specifically 24 CFR 1.6, require recipients of Federal financial assistance to maintain and submit racial and ethnic data so HUD may determine whether such programs comply with Title VI data collection requirements. HUD must offer individuals who are responding to agency data requests for race the option of selecting one or more of five racial categories. HUD must also treat ethnicity as a category separate from race. Title VI requires recipients of HUD funding to maintain records, make them available to responsible Department officials, and if requested, submit compliance reports. For example, HUD grant programs may request information during program monitoring and compliance reviews to ensure compliance with the nondiscrimination requirements of Title VI.
