B. Submitting Comments

Please include Docket ID **NRC-2019-0081** in the subject line of your comment submission, in order to ensure that the NRC is able to make your comment submission available to the public in this docket.

The NRC cautions you not to include identifying or contact information in comment submissions that you do not want to be publicly disclosed in your comment submission. The NRC will post all comment submissions at <http://www.regulations.gov> as well as enter the comment submissions into ADAMS, and the NRC does not routinely edit comment submissions to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the NRC, then you should inform those persons not to include identifying or contact information that they do not want to be publicly disclosed in their comment submission. Your request should state that the NRC does not routinely edit comment submissions to remove such information before making the comment submissions available to the public or entering the comment into ADAMS.

II. Background

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the NRC is requesting public comment on its intention to request the OMB's approval for the information collection summarized below.

1. *The title of the information collection:* NRC Form 277, Request for Visit.
2. *OMB approval number:* 3150-0051.
3. *Type of submission:* Extension.
4. *The form number if applicable:* NRC Form 277.
5. *How often the collection is required or requested:* As needed.
6. *Who will be required or asked to respond:* Licensees and NRC contractors.
7. *The estimated number of annual responses:* 60.
8. *The estimated number of annual respondents:* 60.
9. *An estimate of the total number of hours needed annually to comply with the information collection requirement or request:* 10 hours.

10. *Abstract:* NRC Form 277 is completed by NRC contractors and licensees who have been granted an NRC access authorization and require verification of that access authorization and need-to-know due to (1) a visit to NRC, (2) a visit to other contractors/licensees or government agencies in which access to classified information will be involved, or (3) unescorted area access is desired.

III. Specific Requests for Comments

The NRC is seeking comments that address the following questions:

1. Is the proposed collection of information necessary for the NRC to properly perform its functions? Does the information have practical utility?
2. Is the estimate of the burden of the information collection accurate?
3. Is there a way to enhance the quality, utility, and clarity of the information to be collected?
4. How can the burden of the information collection on respondents be minimized, including the use of automated collection techniques or other forms of information technology?

Dated at Rockville, Maryland, on May 10, 2019.

For the Nuclear Regulatory Commission.

David C. Cullison,
NRC Clearance Officer,
Office of the Chief Information Officer.
