Background

The Department of the Treasury issued the Cuban Assets Control Regulations, 31 CFR part 515 (the Regulations), on July 8, 1963, under the Trading With the Enemy Act (50 U.S.C. 4301-41). OFAC has amended the Regulations on numerous occasions. In particular, on November 9, 2017, OFAC, the Department of Commerce’s Bureau of Industry and Security, and the Department of State (State) took coordinated actions to implement National Security Presidential Memorandum-5, “Strengthening the Policy of the United States Toward Cuba,” signed by the President on June 16, 2017 (NSPM-5). Among other things, in accordance with section 3(b)(ii) of NSPM-5, OFAC amended § 515.565(b) to require that people-to-people educational travel be conducted under the auspices of an organization that is subject to U.S. jurisdiction and that sponsors such exchanges to promote people-to-people contact (group people-to-people educational travel) (82 FR 51998).

On April 17, 2019, National Security Advisor Ambassador John Bolton delivered a foreign policy address (April 2019 Address) announcing regulatory changes to further implement NSPM-5 and the President’s foreign policy toward Cuba. Among other changes, the April 2019 Address announced that the Department of the Treasury would further restrict non-family travel.

In accordance with the April 2019 Address, OFAC is amending § 515.565 to remove the authorization for group people-to-people educational travel in § 515.565(b). OFAC is adding a “grandfathering” provision in § 515.565(b) to authorize certain group people-to-people educational travel that previously was authorized where the traveler has already completed at least one travel-related transaction (such as purchasing a flight or reserving accommodation) prior to [INSERT DATE OF PUBLICATION IN THE FEDERAL REGISTER]. Finally, OFAC is adding a Note to § 515.572(a)(2) highlighting the fact that the export or reexport of vessels or
aircraft providing carrier services under § 515.572(a)(2) requires separate authorization from the Department of Commerce.

Public Participation

Because the amendments of the Regulations involve a foreign affairs function, the provisions of Executive Order 12866 and the Administrative Procedure Act (5 U.S.C. 553) requiring notice of proposed rulemaking, opportunity for public participation, and delay in effective date, as well as the provisions of Executive Order 13771, are inapplicable. Because no notice of proposed rulemaking is required for this rule, the Regulatory Flexibility Act (5 U.S.C. 601-612) does not apply.

Paperwork Reduction Act

The collections of information related to the Regulations are contained in 31 CFR part 501 (the “Reporting, Procedures and Penalties Regulations”) and § 515.572 of this part. Pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3507), those collections of information are covered by the Office of Management and Budget under control numbers 1505-0164, 1505-0167, and 1505-0168. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid control number.
