The proposed changes in the instructions are: (1) The section I.C “Who Must Report” is updated to list out separately Intermediate Holding Companies (IHCs), as defined by Regulation YY, 12 CFR 252, and to clarify that IHCs should follow the same consolidation rules that are applicable to Bank Holding Companies (BHCs), Financial Holding Companies (FHCs), and Savings and Loan Holding Companies. Regulation YY was effective by January 1, 2015, and IHCs are filing TIC reports; this update will formalize their reporting requirements. (2) In section I.C “Who Must Report”, the last item in the list of entities that must file, “State and local government”, has been expanded to clarify that it means “State and local government agencies and instrumentalities such as utilities that produce goods or non-financial services that are not strictly governmental in nature in exchange for money.” (3) The glossaries for all Treasury International Capital (“TIC”) reports are consolidated into a single document which will provide more consistency across the TIC system. As a result, the TIC C reporting instructions will not include a glossary but new

Appendix D will point to the separate consolidated TIC Glossary document on the Treasury website. See the March 2018 version and later versions. (4) In section I.B.5 “Other Statistical Reports”, some descriptions are updated.
