Extension: Rule 607

SEC File No. 270-561, OMB Control No. 3235-0747, Request for a New OMB Control No.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 et seq.), the Securities and Exchange Commission (the “Commission”) has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

Regulation E (17 CFR 230.601 - 230.610a) exempts from registration under the Securities Act of 1933 (15 U.S.C. 77a et seq.) (“Securities Act”) securities issued by a small business investment company (“SBIC”) which is registered under the Investment Company Act of 1940 (15 U.S.C. 80a-1 et seq.) (“Investment Company Act”) or a closed-end investment company that has elected to be regulated as a business development company (“BDC”) under the Investment Company Act, so long as the aggregate offering price of all securities of the issuer that may be sold within a 12-month period does not exceed \$5,000,000 and certain other conditions are met. Rule 607 under Regulation E (17 CFR 230.607) entitled, “Sales material to be filed,” requires sales material used in connection with securities offerings under Regulation E to be filed with the Commission at least five days (excluding weekends and holidays) prior to its

use.¹ Commission staff reviews sales material filed under rule 607 for materially misleading statements and omissions. The requirements of rule 607 are designed to protect investors from the use of false or misleading sales material in connection with Regulation E offerings.

Respondents to this collection of information include SBICs and BDCs making an offering of securities pursuant to Regulation E. Two filings were submitted to the Commission under rule 607 in 2016, 2017, and 2018. Accordingly, we estimate one annual response. Each respondent's reporting burden under rule 607 relates to the burden associated with filing its sales material electronically, which is negligible. For administrative purposes, we estimate an annual burden of one hour.

The requirements of this collection of information are mandatory. Responses will not be kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid control number.

The public may view the background documentation for this information collection at the following website, www.reginfo.gov. Comments should be directed to: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of

¹ Sales material includes advertisements, articles or other communications to be published in newspapers, magazines, or other periodicals; radio and television scripts; and letters, circulars or other written communications proposed to be sent given or otherwise communicated to more than ten persons.
